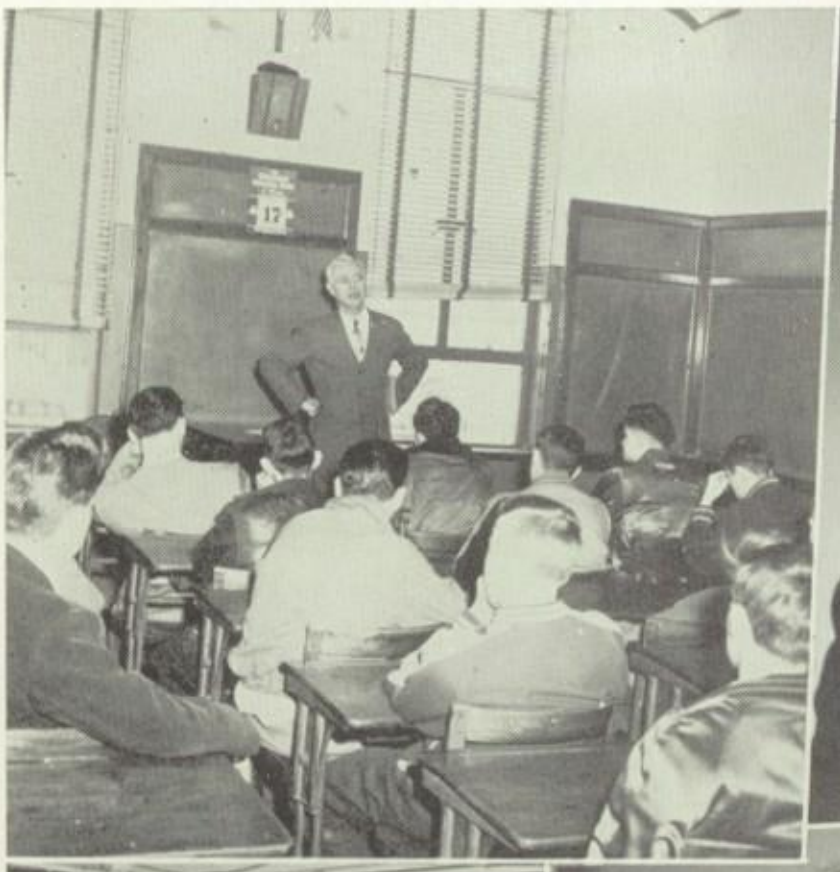
ST. RITA HIGH

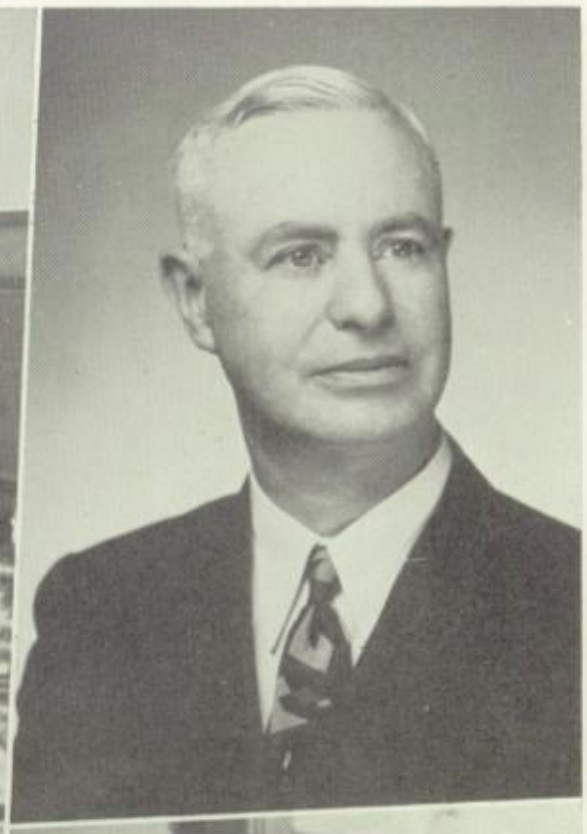
1952

Foreword

The aim of the 1952 Cascian is to present a pictorial review of the past school year in order that you may recall its joys, sorrows, elations and disappointments, and realize that the joys and elations outweigh the sorrows and disappointments in spite of the great sorrow caused by Mr. Fay's death. The Cascian staff sincerely wishes that God may continue to bless you as he has in the past.

SCHOOL, CHICAGO





In Memoriam . . .

To Mr. William Fay, faithful faculty member of St. Rita High School from 1942 to 1952, whose tragic death on February 10, 1952 deeply grieved the entire faculty and student body, we humbly dedicate this book.

Dedication

This book is dedicated to Mr. William Fay, scholar and gentleman. It is hoped that every picture enclosed herein will endure for all time, as it were, as a memorial to this man, a man who loved St. Rita High School with all his heart.

It was during the course of his work upon this edition of the Cascian that Mr. Fay met with his tragic death. We consider it, therefore, most apropos that this edition be dedicated to him.

There is little we can say about him, for everyone who knew him loved him. With his passing St. Rita has lost a dear friend, a friend with a heart as large as his unlimited fund of knowledge.

These words, mere black lines against a white background, echo and re-echo their vast emptiness through our ears, for we cannot express the void in our hearts through this poor medium. All we can do is utter a little prayer and say good bye, Bill. St. Rita High School bids farewell.

Most Reverend Joseph A. Hickey, O.S.A., D.D., J.C.D.

Your Cascian knows this "doctor eminentissimus" intimately and can state its amazement at his perspicacity, his youthful alertness, and his penetrating insight into personalities and world events. He seems to have been everywhere, to know everyone and everything.

Very Reverend Clement C. McHale, O.S.A.

Prior Provincial - Mother of Good Counsel Province

Father McHale's happiest day occurred in the summer of 1951 when he celebrated the Silver Anniversary of his Priesthood. He has been a brilliant example as a Priest, a teacher, a shepherd of a flock truly proud of him.

Administration

Very Rev. William Doyle, O.S.A., M.A.

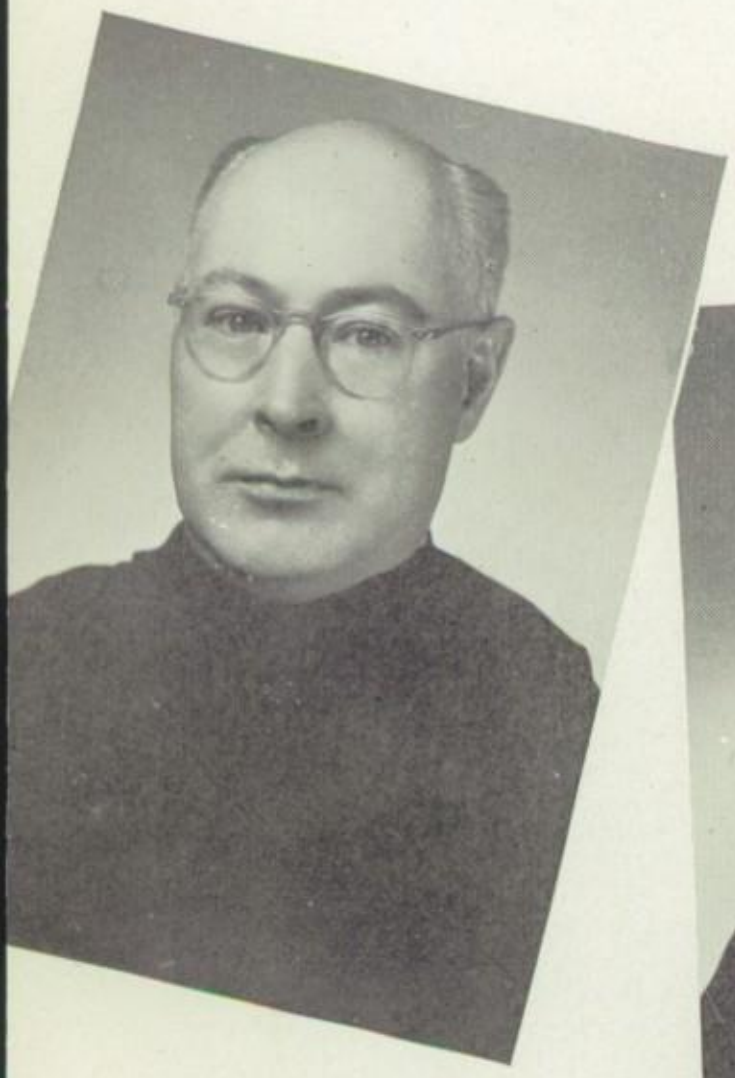
Fr. Doyle has demonstrated his ability to lead by executing the first year of his Priorship at St. Rita with vigor, personality, and enthusiasm. To the Cascian his executive record is an old story at our school since he was graduated from the great class of 1924. We are confident that the remainder of his priorate will bear a harvest of spiritual and temporal blessings for himself and St. Rita.

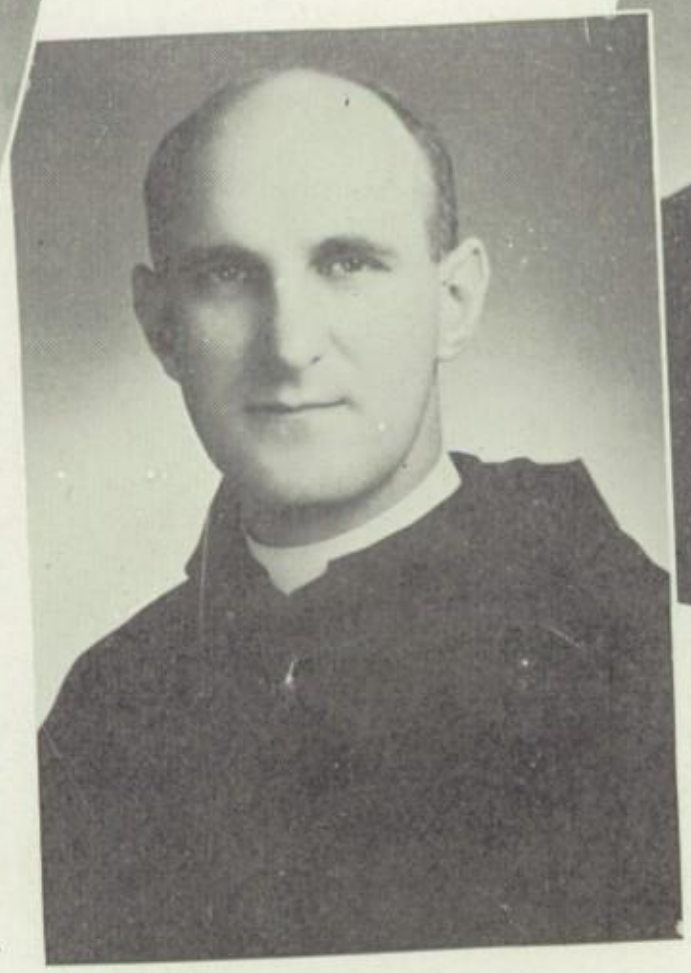
Very Rev. R. P. Fink, O.S.A., M.A.

When Father Fink came to St. Rita in 1935, our school was a little red schoolhouse. What he has done to make it a Colossus of modern educational growth in science and technology may be seen by inspecting the premises bounded by 63rd, 64th, Claremont, and Oakley Avenues. Fr. Fink is still a vigorous and energetic Principal and resourceful in plans for future progress.



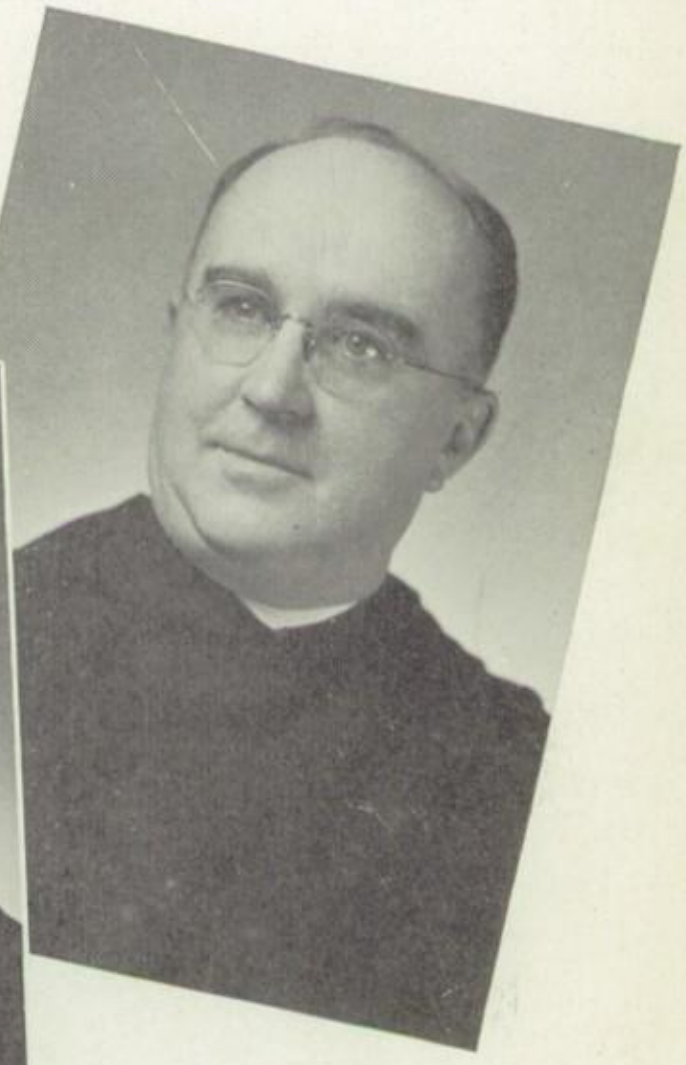
Director of Studies
Fr. John Fitzmaurice, O.S.A.

Father's knowledge of ancient, me-eval, and modern educational pro-dures has furnished the background r our Prefect of Studies.



Dean of Technology
Fr. Joseph A. Coyne, O.S.A.

For sixteen years, Fr. Coyne has displayed courage, industry, and intelligence to hold virtually every important title at St. Rita.



Fr. Fred. Winn, O.S.A.
Procurator at St. Rita for Two Years

Here is our engineer - civil, electrical, and chemical - lawyer, C.P.A., carpenter, scientist, Priest. Fr. Winn is the "Omnibus" of our Faculty: See your thesaurus!!!

Student Counsellors

Student Counsellors

Director: Fr. Francis Crawford, O.S.A.

Fr. Crawford has demonstrated his unusual fitness for this difficult position by discharging the physical problems and resolving the psychological complexities with the execution of a magician. For seven years Father has held this office. In 1951-1952 Fr. Crawford has been athletic director. He is a star of the first magnitude. He is an expert boxing instructor.

Assistant Student Counsellor:

Fr. Sidney Horne, O.S.A.

Fr. Horne has worked six hard years in this office, and his services in the management of 1,800 boys have been priceless. Father is also an excellent teacher in the field of business and in business administration.

Assistant Counsellor:

Fr. William Thomas, O.S.A.

Since Green Hall was rebuilt to accommodate so many overflow classes, Fr. Thomas has handled the assignation of the office with placid success and dignity. Father can teach nearly everything well; he is of du[illegible] value to St. Rita.

Assistant Counsellor:

Fr. Leo Cavanaugh, O.S.A.

The Cascian is glad and St. Rita is fortunate in having one of its former professors back at school to serve in an added capacity: Student Counsellor in Green Hall. He is always helpful to teachers and to students in hectic activities in our Chapel Building.

Faculty

St. Rita High School is administered by a staff of teachers who are specialists in the field of technical, scientific, and academic lore. These educators possess techniques and psychology of modern education combined with a knowledge of older methods established by St. Augustine and the masters of the ages. [illegible] St. Rita teachers have the background; they have the presentation; they stress Catholic faith and morals. This composite generates enlightenment in the minds of 1,800 students, and character in their souls, love in their hearts. "The Cascian" glories and exults in the St. Rita Faculty.

In Chapel

The "raison d'être" for St. Rita High School is the spiritual life of its students. Confession, Holy Communion, retreats, sermons, special seasonal devotions—the complete cycle of spiritual phases is described throughout the students' four years at our school. It is highly fitting that all these services be observed in the shrine of our Patroness, St. Rita of Cascia, the focal point of her devotion since the year 1905.

The supervision of these exercises was guided by the Augustinians generally; but more particularly by Chaplains Fr. O'Toole and Fr. Gavin; by Sacristan Br. Eberhart; by Retreat Master Father J. F. O'Malley; and by the acolytes who have served in that cherubic band known as the "Sanctuary Society".

The seniors have completed four years of mental, spiritual, and physical training—a training which has prepared them to face the rigors of life. The instruction given by the faculty of our school will enable St. Rita men not only to refuse to be swayed by the atheistic philosophies which will assail them, but also, by word and example, to influence all who come in contact with them. With this ability to lead good lives, the graduates of St. Rita will have no trouble in reaching the goals appointed for them by God.

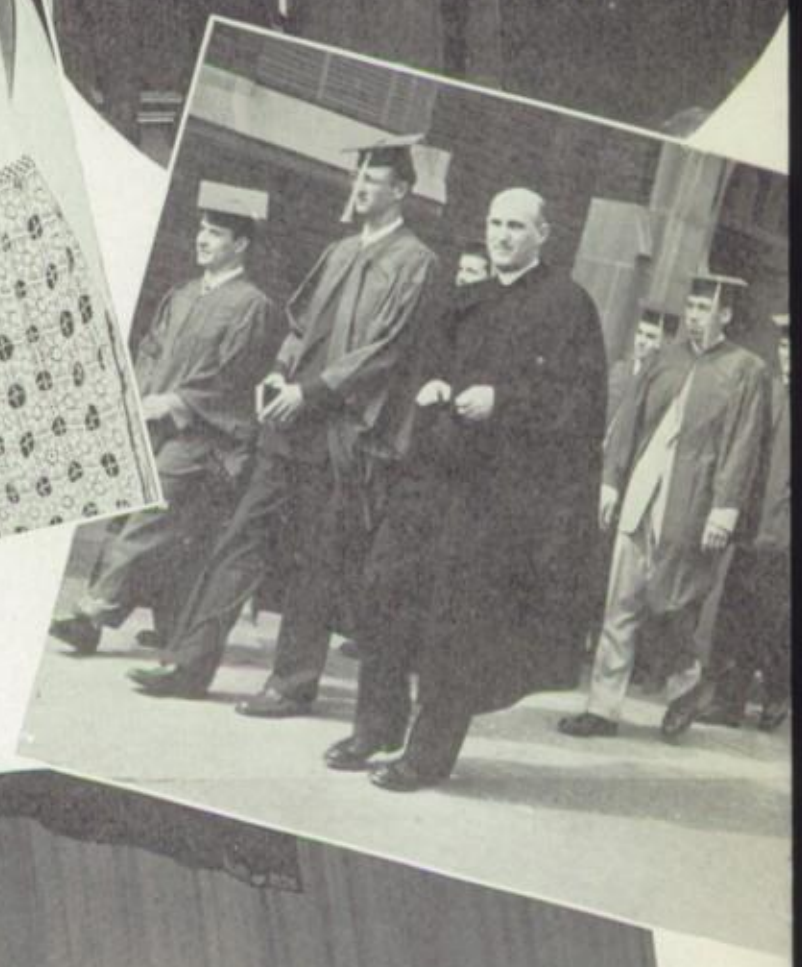
GRADUATION

HOUR



Each Senior has been on this earth approximately 148,920 hours. This time has been spent profitably in spiritual, educational, and recreational activities. All these historical hours have been measured psychologically like so many split seconds against the gigantic, historic hour of graduation. This is our hour of triumph, when our dreams and the conceptions of our loved ones have been realized. The Cascian wishes that, as the years go by, each 1952 Senior will mentally turn back the hands of time and live this hour over again. It is the hour of the century, the hour of your lives, the hour when Christ and St. Rita were, are, and always will be with you.

Senior Prom

The Senior Prom, this year held at the Olympia Fields Country Club, is the gala event which is looked forward to by every senior. Even those who do not consider the Prom as the outstanding social event of their lives look forward to it as the harbinger of their graduation for which they have worked so long.

The

The juniors play second fiddle to the mighty seniors. They have now completed their third year and, in the coming school year, will take on their roles as masters of the school. The Cascian Staff, therefore, offers to the juniors, on behalf of the 1952 graduating class, congratulations on their past successes.

Sophomores

The sophomore—truly the wise-fool, having thrown off the uncertainty felt in his freshman year, and yet without the mental tempering of the junior—the sophomore—not yet an upperclassman but nevertheless considering himself far superior to the lowly freshman—such is the character of the man in his second year of high school. The men of the Cascian wish the sophomores luck in the difficult year which faces them in 1953.

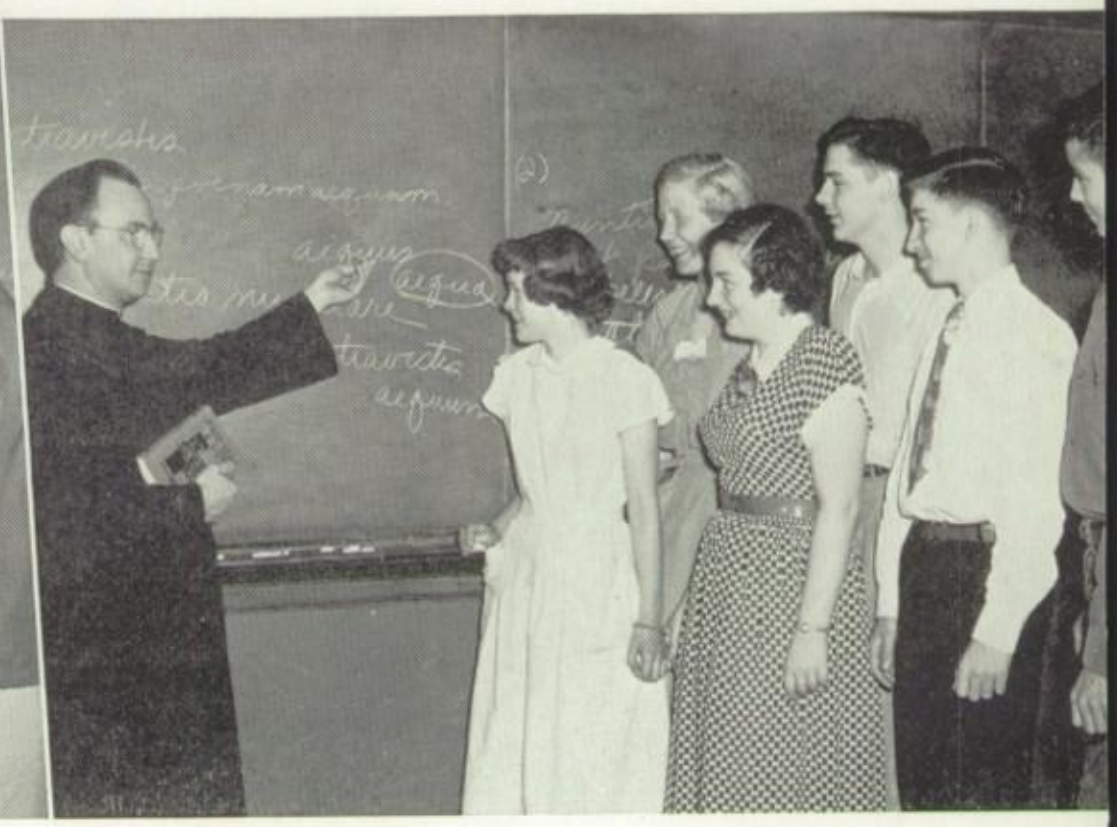
Summer



School

REV. J. R. COLLINS, O.S.A.
Dean

MR. D. J. COLEMAN
Assistant Dean

Summer school is the unhappy institution organized to torture the student who, in the course of the regular school year, could not convince his teachers of his (the student's) high intelligence and excessive studying. Fr. J. R. Collins and Mr. D. J. Coleman handle the major administrative duties of the school. They have done much to make the St. Rita Summer School one of the best co-educational institutions.

Athletic Staff

THE ATHLETIC STAFF (1951-1952)

The first life at St. Rita is spiritual. The second is scholastic. The third, athletics, complements the first and second. Therefore, students at St. Rita are encouraged to take part in athletics in order to develop themselves physically as well as spiritually and mentally. There must be interscholastic sports for our stars, and intramurals for the less talented.

The interscholastic program at St. Rita was capably directed by Fr. Francis Crawford, O.S.A., whose record as boxing instructor is concretized by the great number of trophies won by his Mustang pugilists in tournament competition.

Intramurals, gym classes, track, physical education and varsity football were directed by Mr. Frank Kopczak, alumnus of Notre Dame.

Varsity basketball and basketball championships were masterminded by Mr. Barney Badke, Class of 1935. Ben Reilly, Class of 1947, assisted Mr. Badke. The Midgets, Flies, Bantams, were tutored by Fr. O'Malley, Fr. Giovinetti, and Mr. Schultz, Class of 1939, respectively.

Baseball is a perennial winner at St. Rita under the professional care of Fr. O'Malley, Fr. Hayes, and Mr. Bill Earle.

Mr. Badke was assistant football coach and Mr. Schultz was mentor of lightweight football.

Fr. Joseph Senke, O.S.A., was our great bowling coach, and played and audited the brackets and frames with consistent proficiency.

GRIDIRON SUMMARY

PRACTICE GAMES

First Practice Game—Sept. 9

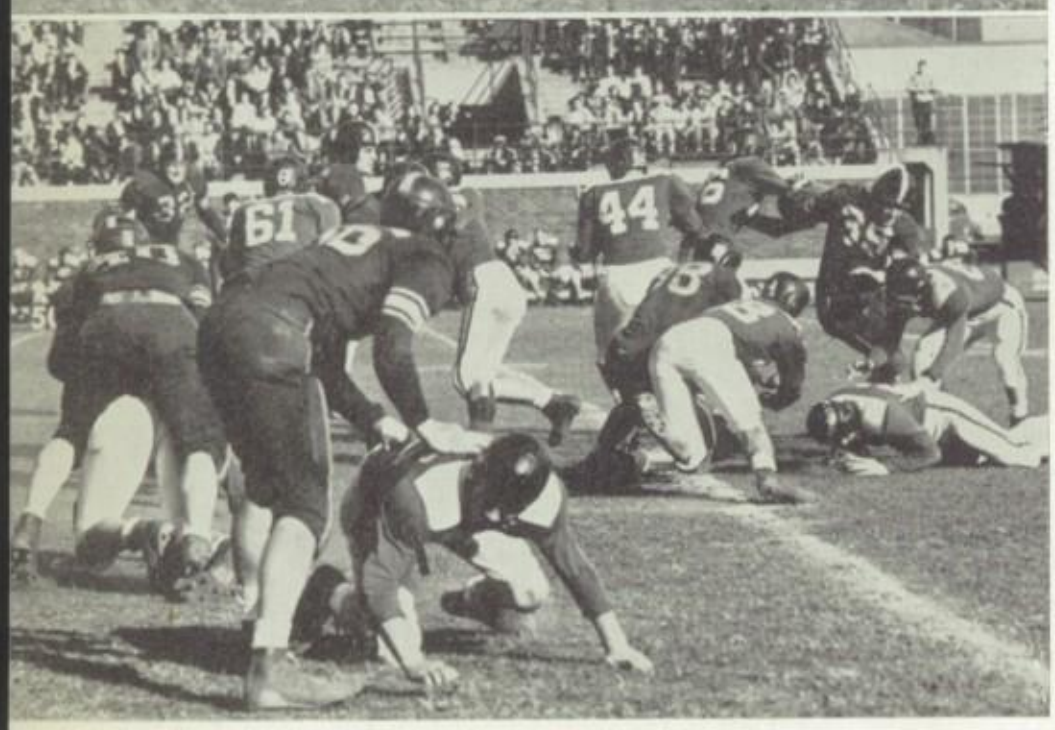
Mustangs 0 **Fenwick 26**

The St. Rita Mustangs opened their practice season by losing to the Fenwick Friars, despite the excellent play of the St. Rita line. The Mustangs outplayed Fenwick during the first quarter, but from then on the Fenwick power began to assert itself. The Friars scored twice during the second period, and once during the third and fourth periods. The Mustangs defensive play was more than adequate, but they couldn't seem to get started on the offensive. This was understandable, because the Mustang backfield was sadly lacking in experience. Standouts for Rita were Obrochta, Spoo and Jaksy.

Second Practice Game—Sept. 16

Mustangs 6 **Loyola 26**

The Loyola Ramblers surprised the Catholic League by defeating the Mustangs by the lop-sided score of 26 to 6. After an uneventful first quarter the Ramblers broke loose with two touchdowns: a 49 yd. pass, and a 13 yd. run. The Ritans crossed the goal line twice during the same period on a pass from Kupka to Spoo, and a beautiful 80 yard run by Bill Thompson; but unfortunately the latter was called back on a clipping penalty. During the last half, Loyola monopolized most of the play. Maurer, a Rambler half-back, ran a St. John punt back 80 yards into the Rita end-zone for Loyola's third touchdown. Later during the second half Berry iced the game for Loyola with a 37 yard run. During the last minute of play the Mustangs moved into within 6 inches of Rambler paydirt but Loyola's goal line stand halted the Mustang attack.



The Grid

Third Practice Game—Oct. 27

Mustangs 26 **Harrison 25**

The St. Rita Mustangs astounded Football experts by upsetting a highly rated Central Section Public League Club by a close score of 26-25. Jack Spoo scored the first tally of the game on a 38 yard pass play, and Tony Simone converted making the score 7-0 in favor of St. Rita. Shortly afterwards Harrison bounced back for a score on a pass play, but the point after touchdown was unsuccessful. Harrison took the lead on a 80 yard pass interception runback. The Mustangs then surged ahead on a 24 yard touchdown romp by St. John. The Hornets, however, scored before the end of the half on a pass play, making the count 19-13.

Harrison's last T.D. came early in the 3rd quarter, leaving St. Rita 12 points behind. With all apparently lost, St. John and company went to work. The Mustangs moved to within striking distance on another touchdown run by St. John, this time 32 yards. With but ten seconds remaining in the game, the Mustangs clinched a 26-25 victory on a 10 yard touchdown pass from St. John to Kupka.

LEAGUE GAMES

First League Game—Sept. 24

Mustangs 0 **Mt. Carmel 19**

The St. Rita Mustangs opened their league campaign by bowing to the Caravan from Mt. Carmel in a hard-fought 19 to 0 game before a capacity crowd at St. Rita stadium. After a scoreless first quaretr marked by a fumble by each team, the Caravan began to roll. Mt. Carmel scored once in the second quarter and kicked the extra point.

The Carmelites increased their 7-0 half-time lead by scoring a touchdown in both final frames. The Mustangs were unable to put on a sustained drive that would carry them to a tally. Outstanding players for St. Rita were: Bill Thompson and Don St. John on both the offensive and defensive.

Second League Game—Sept. 30

Mustangs 39 **St. Elizabeth 0**

Spearheaded by Don St. John and Jack Spoo, the victory-starved Mustangs after three successive setbacks romped to their season's first victory and their league's first win. St. Elizabeth's ironmen were the Ritan's 39-0 victim.

Don St. John personally accounted for 20 points. He scored single touchdowns in the first, second and fourth quarters. He also trapped a St. Elizabeth's ball-carrier in the Ironmen's end-zone in the third quarter for a touchback.

Jack Spoo caught two touchdown passes. The first was a 32-yard toss by Bill Thompson which was caught on the goal line. The second, a twenty yard spiral, was snatched by Spoo on the five yard marker from which point he barreled to a T.D. Tony Simone, the lineman with the educated toe, successfully kicked all five points after the touchdowns. Ed Pocius and Ken Zwarycz combined their efforts to drop a St. Elizabeth back in his own end-zone for a third quarter touch-back.

Third League Game—Oct. 7

Mustangs 0 **Leo 12**

Due to the passing wizardry of Jim Corbett, Leo quarterback, the Leo Lions maintained their supremacy

Season With Action

over the St. Rita Mustangs by defeating them, before twenty thousand chilled fans, 12-0. With but four seconds remaining in the first half, Corbett faded back and heaved a perfect 34 yard pass to Lopolski in the end-zone in the midst of three St. Rita defenders.

After the St. Rita Band had furnished another brilliant performance to terminate the half-time proceedings, the Mustangs took the field with feelings of revenge to overwhelm the Leo defensive and put themselves back in the ball-game. Their spirit and drive carried them twice to within the Leo ten-yard line but found the end-zone to be an impenterable barrier. The Lion's second score was set up by Perkins who ran 60 yards off tackle before being hauled down by Jim Brewer. Shortly afterwards Corbett hit Korn, Leo's flanker, with a sixteen yard pass and the big end stepped into paydirt. Standouts for St. Rita were Jim Brewer, Don St. John, and Jim O'Hara.

Fourth League Game—Oct. 14

Mustangs 7 **Ignatius 23**

A hard-fighting St. Rita team fell before a powerful St. Ignatius eleven on October 14 at Rockne Stadium to a score of 28-7. The Mustang's first and only score came early in the first quarter when Bob Thielman recovered an Ignatius fumble on their 24 yard line and Tom Kupka tossed a touchdown pass to left-end Jack Spoo. The educated toe of lineman Tony Simone was put into action and he converted to make the score 7-0. Minutes later the Wolves' Fred Nosal broke loose on a 68 yard gallop to paydirt and the kick was made to tie the score. Nosal tallied again in the second quarter to put the Wolves ahead 14-7. In the third quarter St. Ignatius racked up 14 more points. The Mustangs, hampered by the loss of Don St. John, who was injured in the Leo game, were unable to put on a sustained drive after their first-quarter tally.

Fifth League Game—Oct. 21

Mustangs 12 **St. Phillip 6**

The St. Rita Mustangs after successive losses to Leo and St. Ignatius edged St. Philip, 12 to 6 in one of the most exciting games of the season at St. Phillip Stadium on October 21.

During the first half it was mostly a punting duel except for the Gael's threat that was stopped on the Mustang 11 yard stripe. During the third quarter the Gael's passing attack began to come to life as they moved 60 yards for the first tally of the game. The extra point attempt failed.

In the fading moments of the game the Mustangs thundered back and dead-locked the score on a pass from Charley Pintozzi to Jack Spoo. Tony Simone stepped back into the tailback position to attempt the conversion. The ball was snapped, put in place and the powerful muscles in Tony's right leg were put into action. Missing the bar by mere inches the game looked as if was going into a certain tie. Don St. John, however, intercepted a Gael pass and with excellent blocking dashed forty yards to score the winning touchdown. The come-back threat of the Gael's was halted on the Ritan 20 yard line when time ran out.

Sixth League Game—Nov. 4

Mustangs 12 **De La Salle 19**

In the first Annual Charity Tilt for the Sisters of St. Casimir, 6000 frozen spectators saw the Meteors of D.L.S. defeat the St. Rita Mustangs for the first time in 12 years to the score of 19-12.

BOXING

The St. Rita Boxing Team under the fine coaching of Fr. Francis Crawford has built up a large record of victories. In the Golden Gloves Tournament, they produced several champions: Robert Jemilo, Larry Young, Al Grigarvicius.

In the C.Y.O. Tournament, such stellar Ritan performers as Lefty Walsh and Ed O'Callaghan walked off with championships. In the St. Rita Invitational Tournament, our team did very well, as it always does.

SENIORS

The St. Rita Senior Mustangs, under the brilliant coaching of Barney Badke, who was assisted by a former St. Rita great, Ben Reilly, rose from a third place play-off berth to gain the highest attainable goal, a City Championship. Acknowledged as the greatest team ever to represent St. Rita, these Mustangs were true champions. At center was the Catholic Leagues high scorer with 291 points for twelve games, and named by city-wide newspapers as All-Catholic All-City center, towering unmatchable, Ken Jaksy. At forwards were Capt. Kev. Barry and Tom White, who aided immeasurably with their sharp shooting on offense and board control on defense. In the guard positions were two men who were small in size, compared to Barry, Jaksy, and White, but big in heart and capability. Together they broke many a press and set up many a scoring play. The Cascian congratulates the 1952 Senior City and Catholic Champions and their great coach, Barney Badke.

1952 SENIOR CITY CHAMPIONSHIP

St. Rita 69 **Roosevelt 58**

On the ever-memorable night of April 4, 1952, a date that will live in the hearts of St. Rita students forever, the St. Rita Senior Basketball Team, for the first time in the history of the school, won the Senior City Championship by taming the Roosevelt Rough Riders in the Chicago Stadium, 69-58. Towering Ken Jaksy supplied the scoring punch in the Mustangs offensive. Ken, the Catholic league's top scorer and All-Catholic all-city center, in helping to capture the crown, netted forty points to set a new scoring record in the ten year old intra-city prep championship contest. He also set a record for total points scored by one man in collegiate games played in the Chicago Stadium. He was but seven points behind the stadium record set by George Mikan. Captain Kevin Barry was the bulwark on the defensive as time and again he showed spectacular control of the Roosevelt board. Jerry Trandel followed Jaksy with 10 points.

Catholic League Playoffs

St. Rita 51 **Mt. Carmel 53**

Basketball

St. Rita 63 **Leo 61**

St. Rita 57 **Fenwick 44**

The St. Rita Senior Mustangs won the Catholic League Championship Crown as they foiled the Friars of Fenwick before a jammed packed house, 57 to 44. It was silent Tom White and towering Ken Jaksy who spearheaded the Ritans to the long coveted Catholic Crown. Between them they scored a total of forty-five points which was one better than the combined efforts of the entire Fenwick team. Behind the scoring power of Jaksy White was the strong offensive and defensive performance of both forward Captain Kevin Barry and guards Jerry Trandel and Norm Yaeger. On the bench sat Coach Barney Badke who held the controlling reigns on the Mustang quintet. It was Barney, together with the unheralded reserves, and the loyal student body and faculty who, with hoarse voices, urged the team on to victory from the stands.

Track

by Frank Fabian

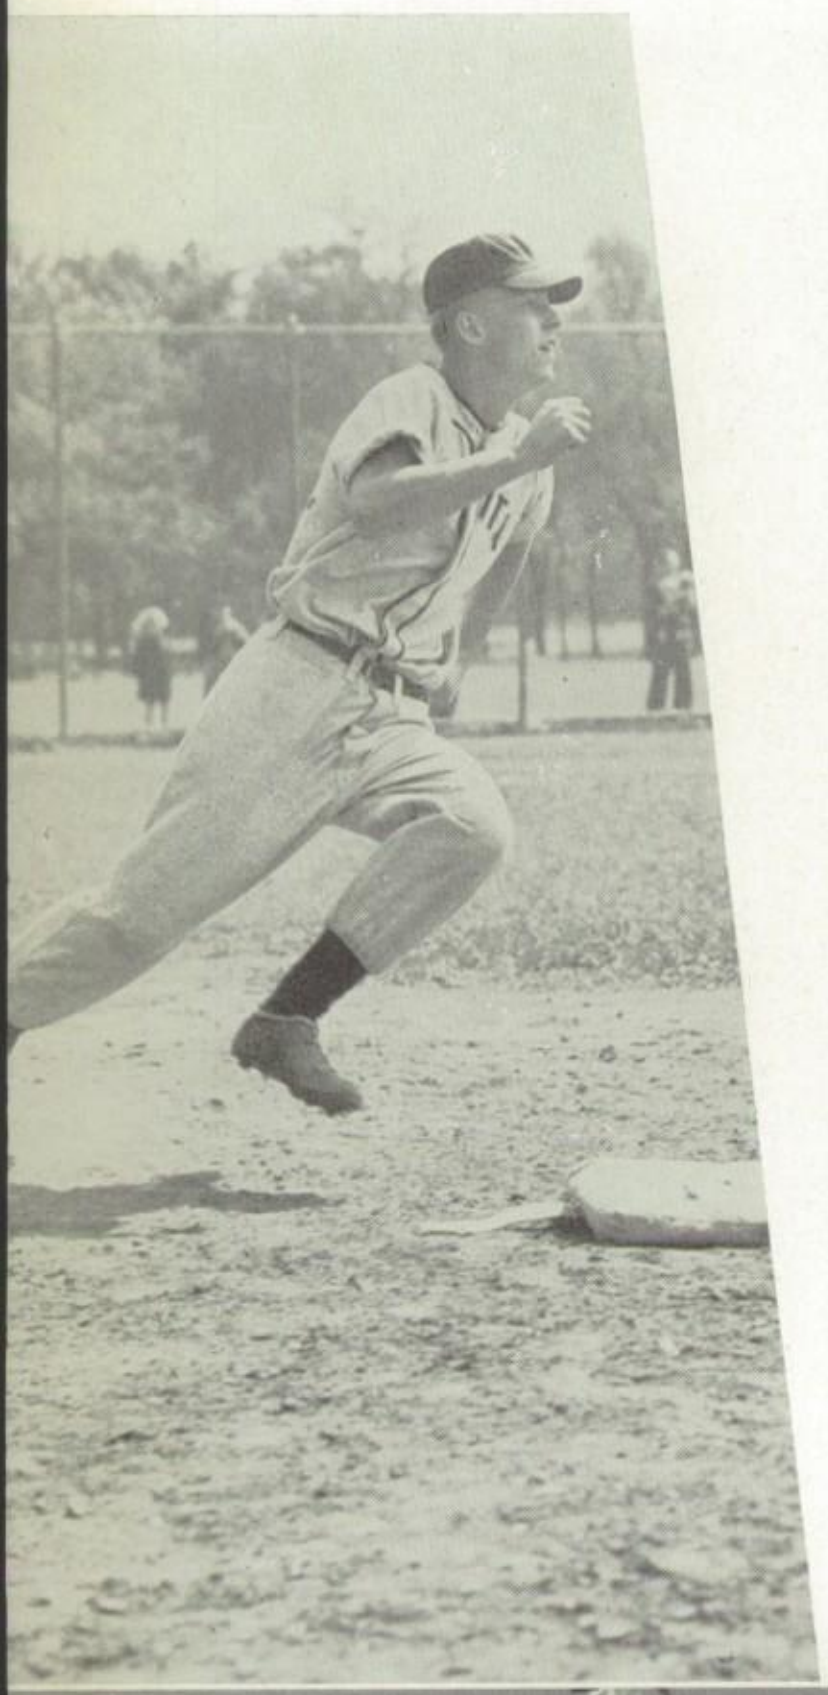
During the 1951 track season the Mustangs on the cinder path didn't do very well. Bad weather, coupled with Mr. Kopczak's inability to be with them as much as he desired—football practice took up much of his time—gave the track boys a minimum of supervised practice.

In the Junior City Meet, the fellows who ran were: Vervlied in the 100; Barnard, Ricci, and Tom Thompson in the 220; Jim Brewer in the 660; Babe Hunt threw the shot.

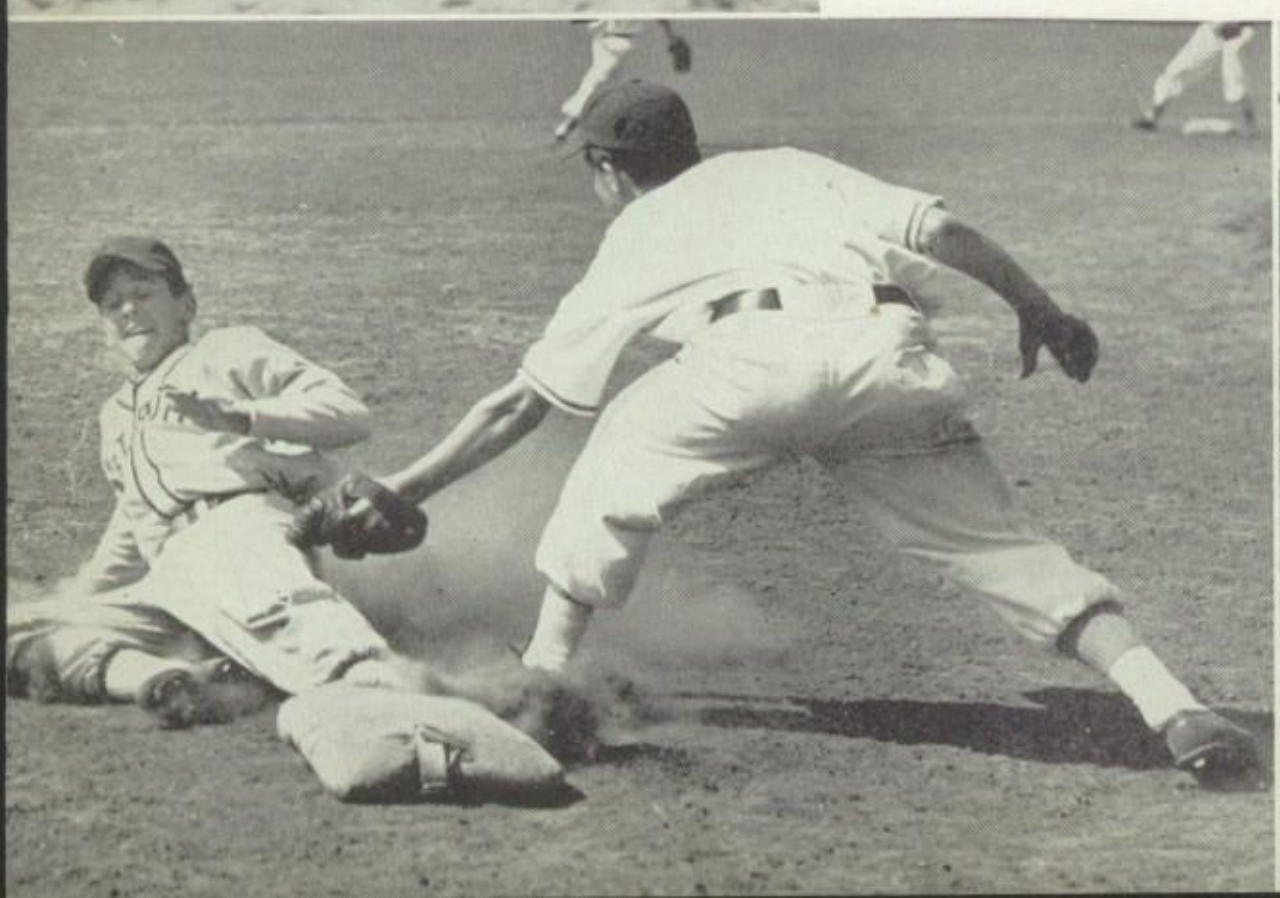
In the Senior City Meet, the men who ran were: Pocius in the half-mile, Ed Newren in the 100 and broad jump, Brewer and Frank Fabian in the 440, and Tom Thompson who, with Brewer, was getting more practice, ran the 220. The absence of Bill Thompson, who placed in last year's city meet, was greatly felt. He had worked with the team but was absent because of previous business.

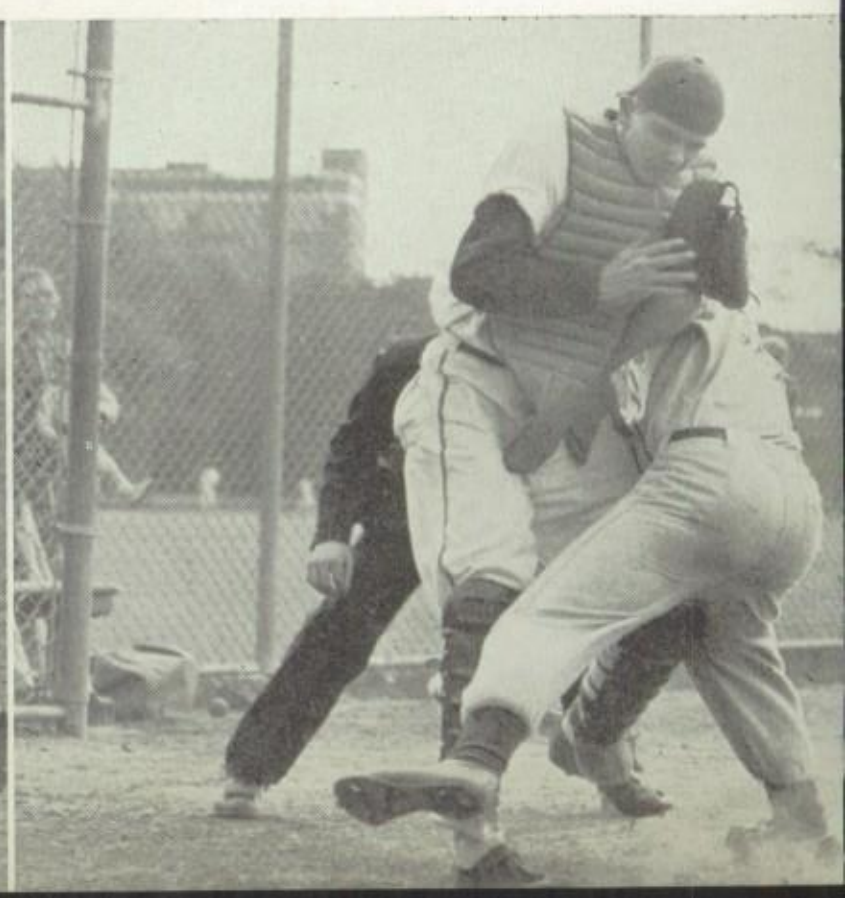
The track team looks forward to better seasons but, like all the other sports of the school, needs your cooperation.

Varsity Baseball



Although classified as a major-minor sport, Baseball is still a pre-eminent sport at St. Rita. Under the coaching of Fr. Hayes, St. Rita's Baseball magnate, the Varsity team, sponsored by Safety Motors, captured the coveted Junior Championship of the Chicago Amateur Baseball League. In the playoff for the American Legion League Championship, the Varsity lost a nineteen inning tilt to the Clearing Indians, 5 to 4. In the playoff for the Sunday League Crown, the Vitalized Varsity again ran into the Indians from Clearing and won a revengeful clash 8 to 1. Ralph Zabloudil, the teams pitching wizard, was the man-on-the-mound in both contests. His record for the season was 12 wins and 3 losses. Other hurlers were: Dick Devery, 5 and 4, and Norb Randich, 4 and 5. Ron Dunlop took the batting honors with a percentage of .468; Norb was next with .397. The team won 20, lost 14, and tied 1.

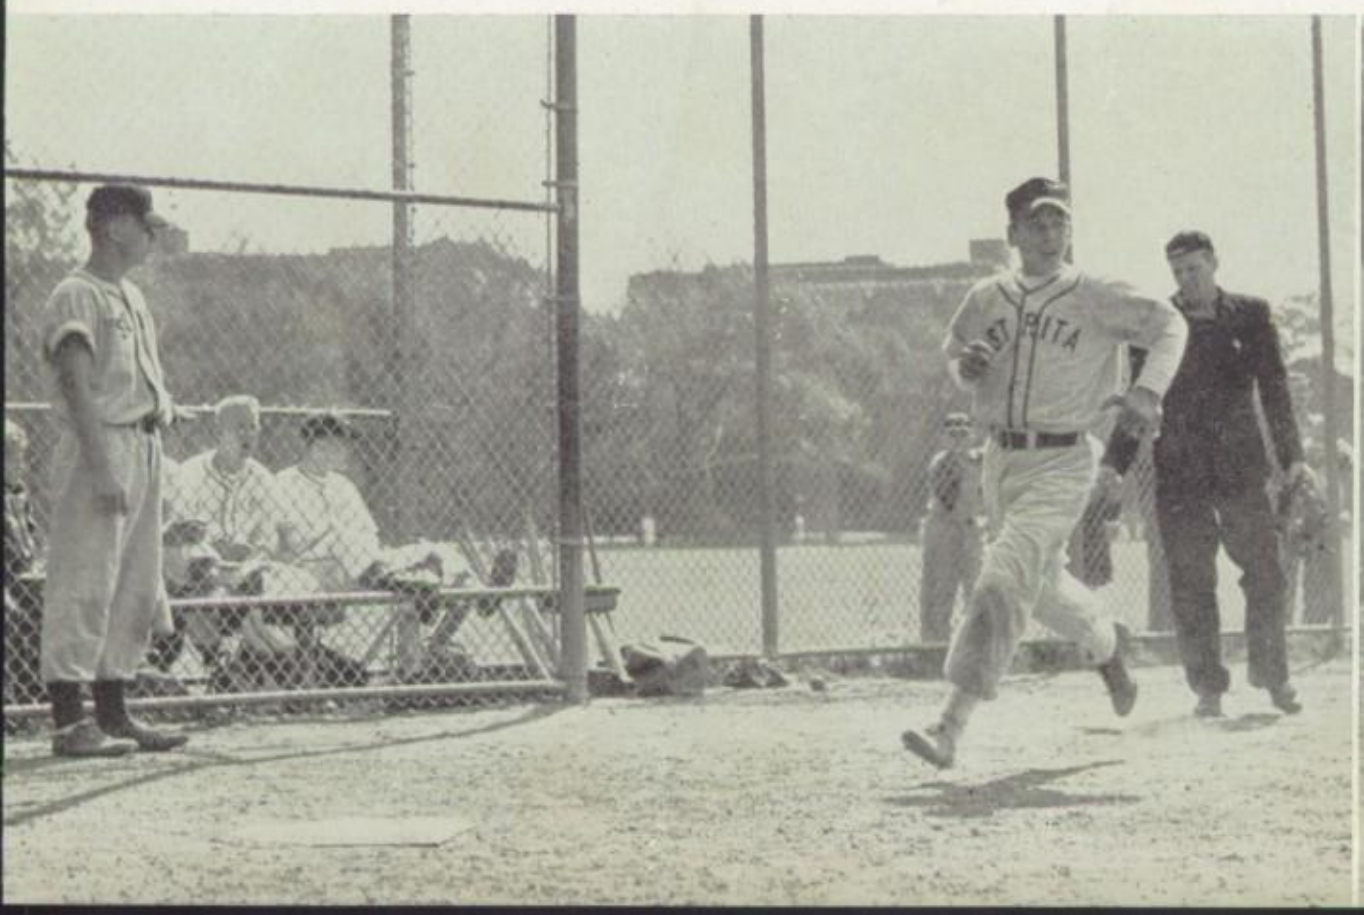


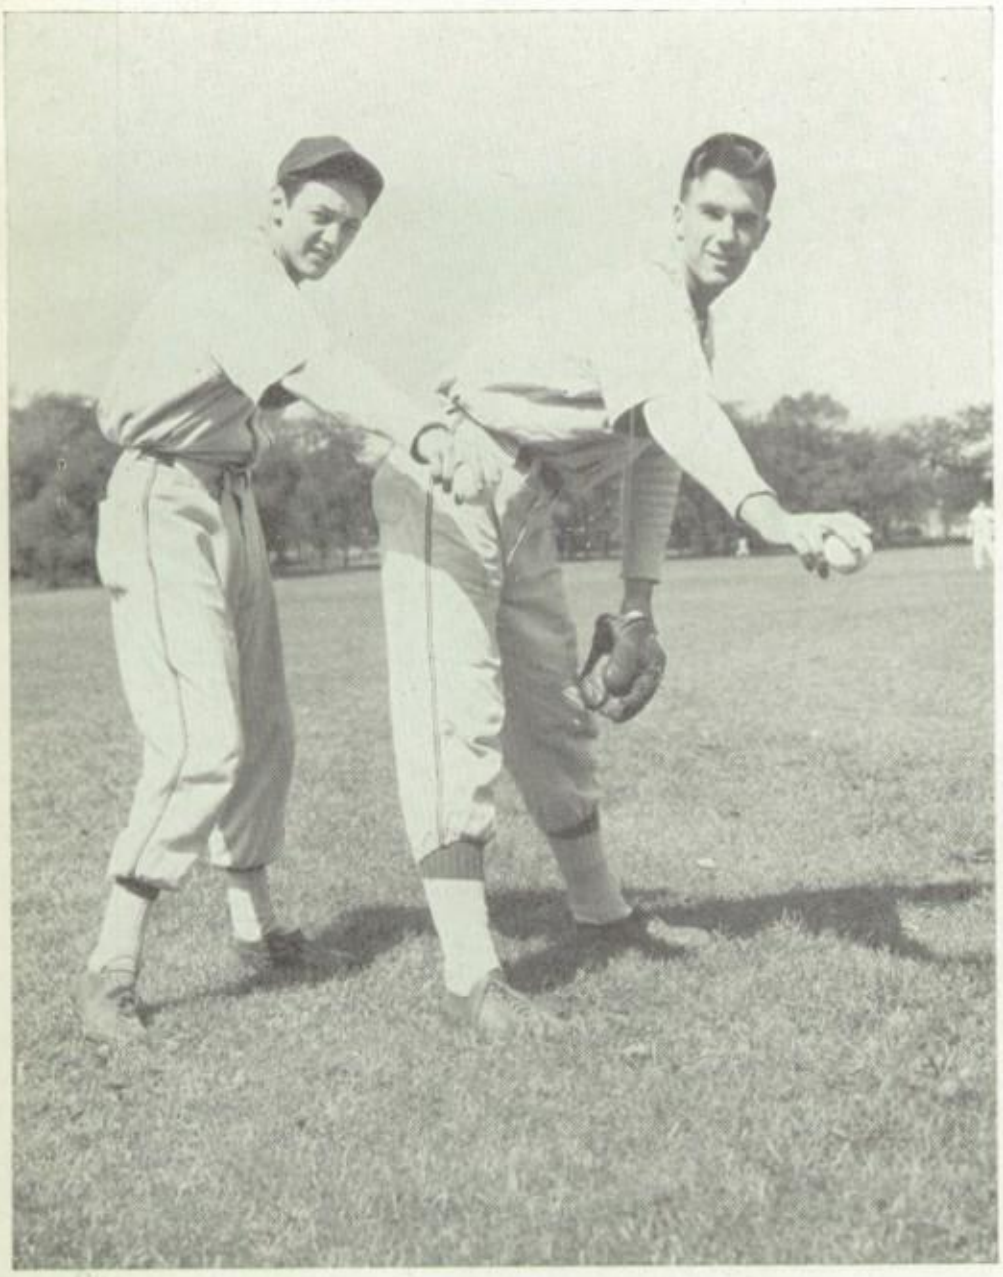


Fr. O'Malley's Midgets won 20, lost 5 and tied 1. They won the Second Place trophy in the Ogden Park Liberty League and the Championship trophy in the American Legion Junior League. Outstanding players were: Moriarty, Chapski, Schmitz, Brunke, Suthkowski, Gentleman, Marik, and Vollinger.

Fr. O'Malley's Little League Team of Shrewbridge Field won the Little League Championship with a record of 12 wins, 6 losses, and 1 tie.

Fr. O'Malley was assisted in this tremendous task by Mr. William Earle, Mr. Caw McDonald, Mr. John Derbis, and Mr. Frank Fajfer.





Fr. O'Malley's Frosh-Soph team played 42 games winning 17, losing 21 and tieing 4. They played in the Byrne Field Minor League, the Hamilton Park Senior League, and the National League of the C.A.B.L. They finished third in the inter-division play-offs. Leading players were: Derbas, Scholl, Spitkovsky, Whitehead, Gardner, Lawrence and Benzing.

Annual Free Throw Contest A Success!!

The winners of the annual free throw contest were: Jim Buckley, Senior Champ; Jim Burke, Junior Champ; Bill Gierhahn, Sophomore Champ; and Jerome Zettek, Freshman Champ.

The Runners-up were: Dave Billish, Senior Runner-up; Ray Sieben, Junior Runner-up; Nello Allessandri, Sophomore Runner-up; and Frank Marik, Freshman Runner-up.

The Cascian congratulates Mr. Badke and Mr. Kopczak for another masterful promotion to stimulate enthusiasm for, and abiding interest in, Mustang Basketball. Under their splendid direction, nine hundred and ten students participated.

Intramurals

Mr. Frank Kopczak once again administered our comprehensive Intramural Program with the skill and finesse of an old "Pro". These lunch period athletic events were well attended by protaganistic spectators who were thrilled by the rivalry exhibited between different sections.

The School Football Champions were sections: 4-C, 3-I, 2-B, and 1-O. The runners-up were sections: 4-G, 3-K, 2-J, and 1-K. Cascian congratulations to these pigskin behemoths.

Intramural basketball and boxing were equally successful, and the Cascian is high in its praise of Mr. Kopczak for a task well planned and perfectly executed.

The 1952

In accordance with tradition, "The 1952 Cascian" has been edited by the best talents at St. Rita. Fr. McConville displayed excellent skill in overall organization as Moderator. Mr. Fay was his able assistant.

Conrad Urbanowicz, as editor-in-chief, and Steve Sopron, as assistant editor, performed a gigantic task in planning the opus and in shrewd selection of pictures. Frank Neubek, in addition to his duties as associate editor, exhibited his skill in the art work and in typing. Frank designed this year's cover. He will assume the post

The Cascian

The Yearbcok at St. Rita has for 28 years been the supreme reservoir of pictures and stories richly recording the personalities and deeds of our Faculty and Students. The format and matériel have been matchless as any volume dedicated to our Queen St. Rita should be. The Staff hopes that "The Cascian of 1952" will revivify memories of a glorious Rita past, and tender a flambeau of inspiration to our legion of Rita friends who will tread the same noble path as we, for the honor of St. Rita of Cascia and for the glory of Her Lord and Master, Jesus Christ.

There are many who wonder how the Cascian got its name. It was named for St. Rita's town of Cascia. The publishing of the Cascian was discontinued during the war years but was revived through the herculean efforts of Mr. William Fay and Father Doyle. Every edition of the Cascian is a striving to keep up the standard set by the 1946 book.

"THE RITAN," voice of the students, has completed another year of publication under the careful supervision of the Rev. John Gaffney, O.S.A. During the year, certain features were added to the newspaper to make it more appealing to the students. Among these was the well-written "Out of Bounds," which condensed school sport happenings and gave the facts as seen through the eyes of its author, Jim Milas. Ed Hennessey again proved to be an able artist in his wonderful drawings which appeared on both the news and feature pages.

The task of selecting and editing the various important news events of the school fell upon the shoulders of Steve Sopron, who served as the "guiding genius" of the staff. John "Stainless Steel" Nilles was responsible for the superb editing of the feature page. Although only a junior, Don Walsh, through his terrific sports coverage, has shown that he has the possibilities of becoming another Arch Ward. Tom Rowland and his able assistant, Fred Mayer, spent hours securing the many ads which are a must for every newspaper. Joe Wisniewski evolved shots that indicate possibilities of his, in the future, becoming one of the topnotch news photographers.

Last, but not least, comes the man who has done more by far than any of the other members of the staff. Fr. Gaffney, O.S.A. has spent many hours burning the midnight oil in order to meet "The Ritan" deadline. Fr. Gaffney, seeing the need to stimulate incentive in reporting in the staff, is presenting two trophies to the most valuable members of the staff to men who have proved themselves worthy of this honor.

The Band

REV. JOHN F. CASEY, O.S.A.
Moderator

MR. ROBERT BLACK
Director

Writing the 1951-1952 story of the St. Rita Band is an easy task. Writing about the Band at any time is a snap. There is always material galore. It is the one organization in the school that goes along all year. Nobody knows when one season starts and the other ends. Vacations are unheard of. The show must go on. This year the Band was augmented by several Freshmen members who did an awful lot in keeping up the storied tradition of the Band. The Football season saw a snappy marching outfit once again. In September this marching group paraded at the Riverview Park Annual Mardi Gras and came away bearing a plaque emblematic of a spectacular performance. Week after week during the football season, Mr. Black, the description-defying director, came up with breathtaking half-time shows. The show at the Mercy game with Leo at Soldier Field had everybody wide-eyed. At the Prep Bowl game, the Band stood out head and shoulders over the other bands because of its precision in marching and its glittering appearance. The All Star Marching Band, a group of 35 of the best, took the house down at the Chicago Stadium at the basketball doubleheader featuring Illinois and De Paul. 19,000 people stood and cheered as the Band went thru its quick paces. At Christmas time, the Annual Band Ball was a terrific success. Two former majorettes graced the occasion—Karen Kolar and Sylvia Fister. After Christmas, a small swing Band was formed and it thrilled the crowds at the basketball games. It became so proficient that many requests were received for its services. Then came the preparation for the Annual Spring Festival. Held this year at Gage Park High School, the keynote was variety and easy listening.

Behind this story are the names of the people who made this success possible. Starting with the director, Mr. Bob Black, each boy and girl all the way down did a job to be proud of. Assistant Directors were Joseph Eraci and George Meek. Other aids were Bill Hartnady and Charley Vlk. The President of the Band was Donald Manahan and the Vice President James Milas assisted by William Upton. The Secretary was Thomas Piotrowski assisted by George Rachford. The Librarian was John Goyer and he had Gino Pacetti and Louis Ricci and Nick Gallate as his aids. The managers were: Donald Ostrowski, Robert Matura,

Tom Ciechanowski, Bill Bandiga and Roger Shepherd. They, as usual, worked behind the scenes but worked nevertheless.

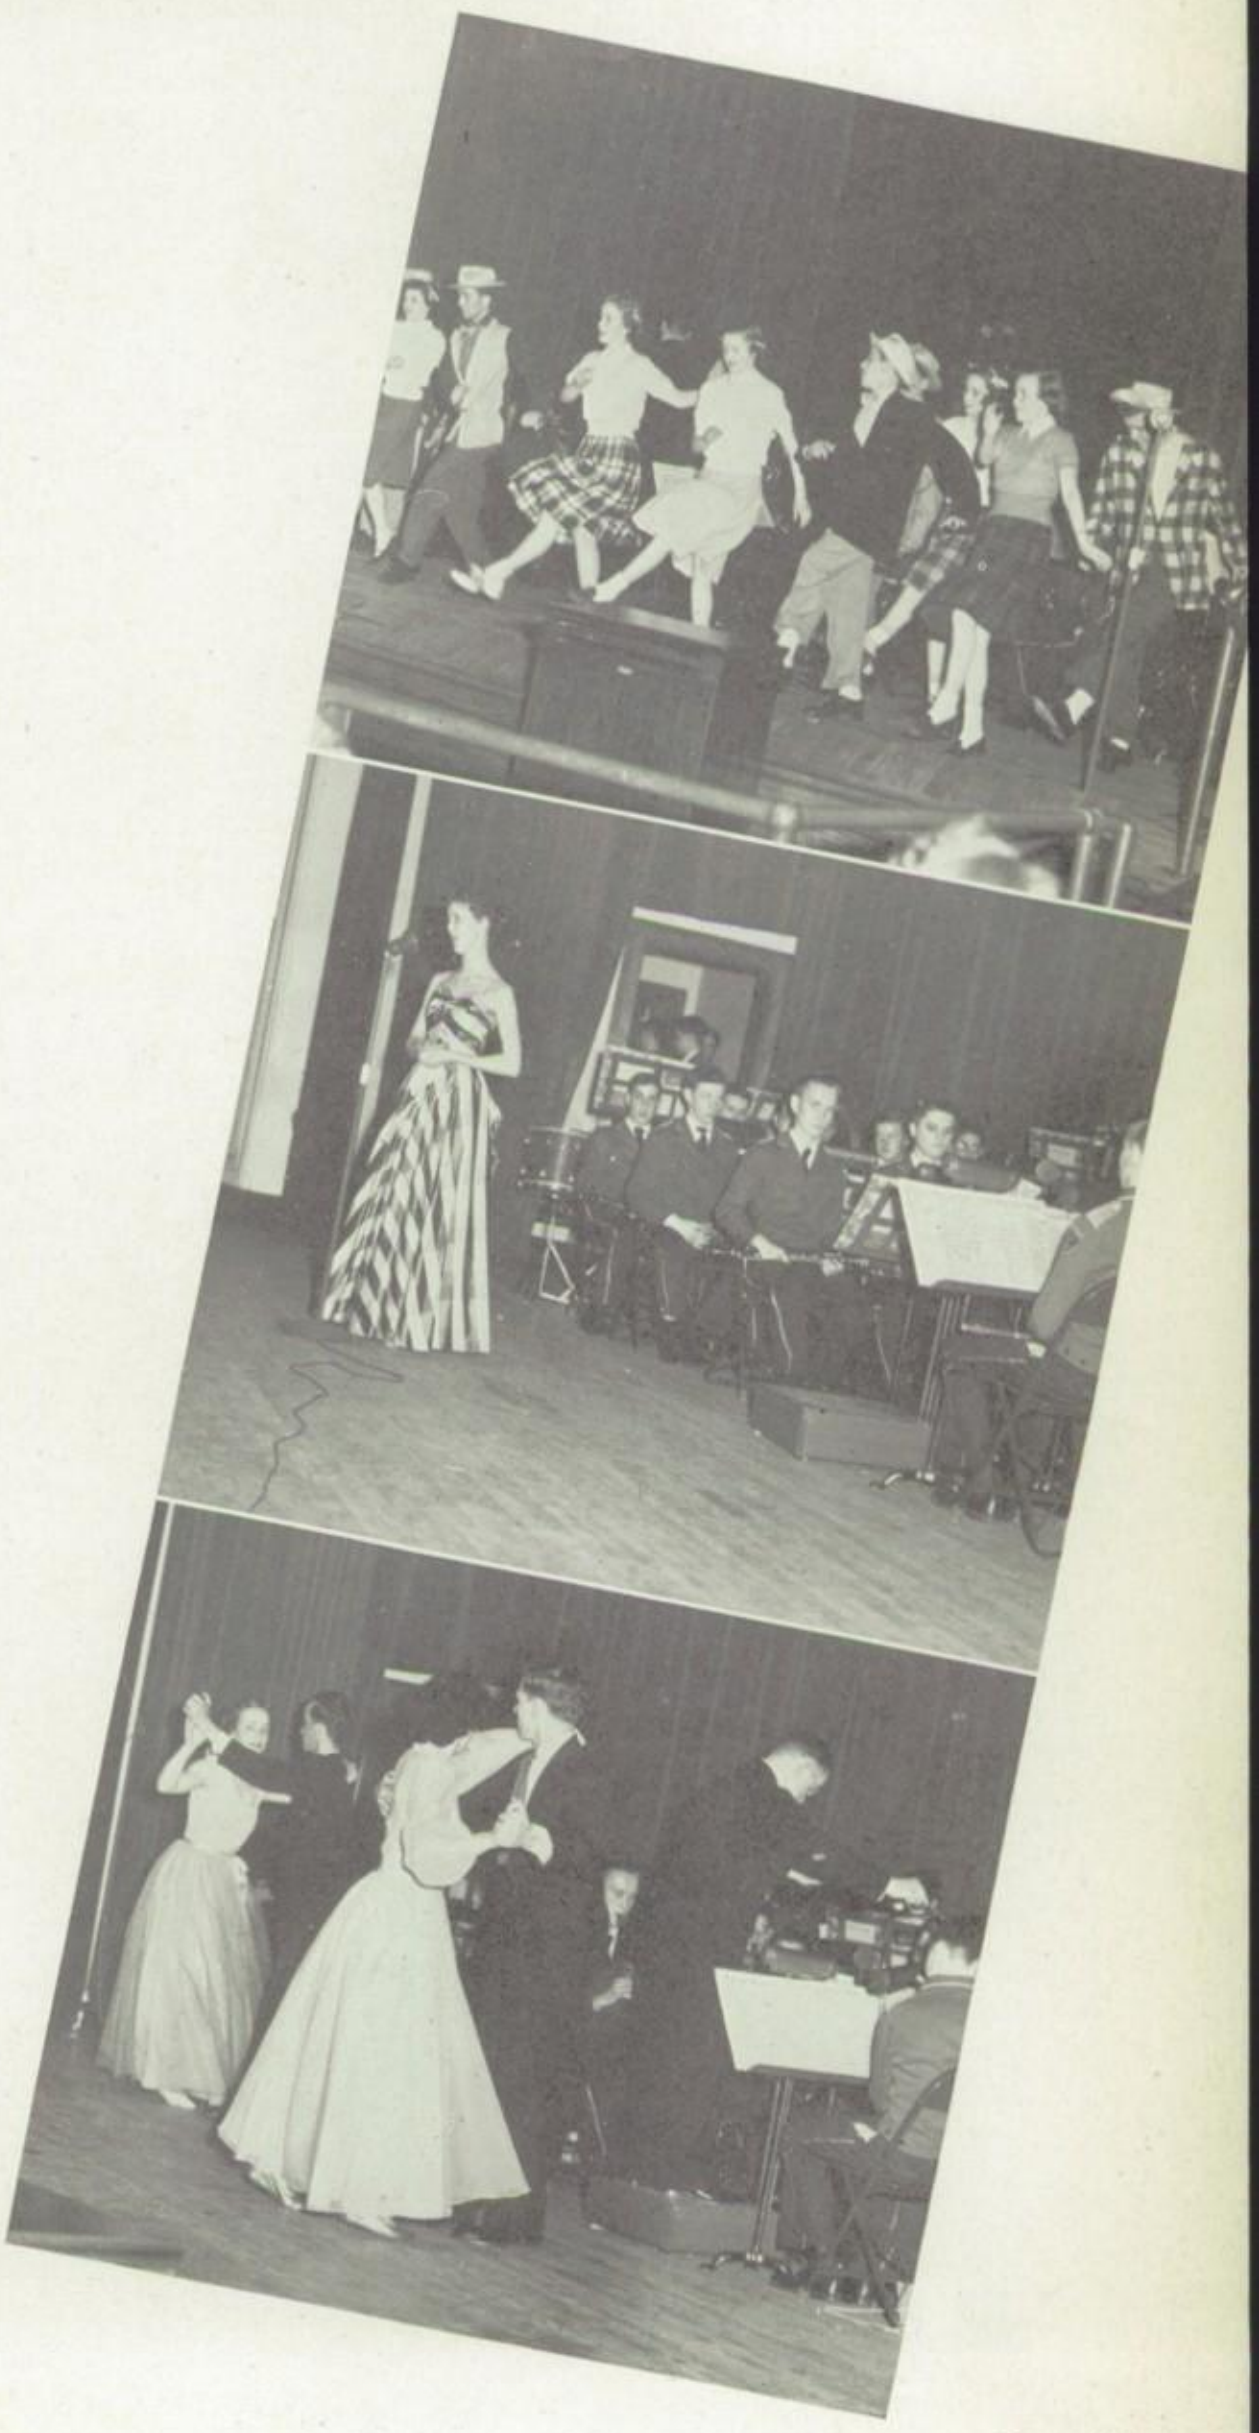
The feminine angle always being very important, the Band paraded pretty majorettes, girls who were loyal Ritans altho' not members of the student body. These young ladies, Arlene Byron, Janie and Lynne Clark, Grace Gozder, Laura Ann Norvelle, Maureen Rogers, Ginny St. John and Bernie Waldron did more for the appearance of the Band than words could tell.

From reading this you might get the impression that belonging to the Band means nothing but work. On the contrary, the Band keeps up a steady flow of social activities to ease the burden of the band members. During the year there are such events as Splash Parties, Hayrides, Beach Parties, Weenie Roasts and other activities too numerous to mention.

This year we were fortunate in having Seniors who were outstanding. We will miss quiet, efficient, loyal Bob Dolph; serious, talented, deep thinking, Al Fiascone; carefree, impulsive, rough and ready Ray Geisler; mechanically inclined, loyal and true, tireless, hardworking John Goyer; witty, irish-eyed, coquetish, Eddie McGovern; red haired, silent, efficient, unobtrusive, Don Mahanan; cheerful, honest, guileless, Bob Matura; deep, heady, farseeing, man on the spot, Jim Milas; honest carefree, good guy, Ray Murphy; musician, deepseated, lonewolf, always on your side, Al Panozzo; talented, all around man, handsome, lover of the beautiful, intelligent George Rachford; nice guy, obedient, never out of order Ron Toczek; and garrulous, always ahead of you, loud and noisy but loyal and true Bill Upton. Our job next year will be terrible because of their loss.

Band Concert

The St. Rita High School Band, which, during the football season exhibits its wonderful skill as a marching unit, each year presents its gala Band Festival. This year's concert was high-lighted by the magnificent musicianship of Joseph Scotti, who entertained the audinece during the intermission. The festival this year, as in all other years, presented a program, which had a fine mixture of band numbers, solo numbers, and novelty numbers. As always one of the most pleasing sights at the concert was the appearance of the Ritanettes in several fine novelty numbers and the exhibition of their baton handling skill. In addition to Joe Scotti, soloists were: George Rachford at the keyboard playing March Fantastique; Kay Hayes vocalist, and Dorothy O'Donnel vocalist.



National Honor Society

Scholarship, leadership, character, and service—these are the four requisites for membership in the National Honor Society. We are fortunate to have maintained in our school a chapter of this nation-wide society. The candidates for the society are chosen on the basis of scholastic standing, character, and extra-curricular activities. The membership is limited to seniors and a small number of select, second semester juniors. The members are the "cream of the crop" Students at St. Rita. Membership in the society should be strived for by every student at St. Rita.

The advantage gained by membership is very great. In entering college, admittance is almost assured for members of the National Honor Society. In many colleges members of the N.H.S. are exempt from entrance exams.

In addition to these advantages, there are many worthwhile social activities within the St. Rita Chapter. These include such events as dances and many types of parties—bowling parties, splash parties.

St. Rita Bowlers

REV. JOSEPH SENKE, O.S.A.

Moderator

Under the capable supervision of Father Senke, the St. Rita Bowlers rolled through another successful season. After seventy-five hard fought games, each and every participant received a beautiful emblem, while the victoroius partook of the coveted trophies, awarded by Father Senke. Some outstanding keglers were: Tony Fabiano, Ed Lynch, Bill Schmitz, and Steve Amella. The latter was the only bowler of the season to become a member of the hallowed 600 Club, when he rolled a sizzling 608 series.

The underclassmen will happily rid themselves of these "demons of the alleys" and look forward to another year of persistent attempts at that first 500 series.

THE FARMER'S WIFE

Presented by Academy of Our Lady

April 10 - 15, 1951

The drama was the simple story of the vicissitudes of life and romance of a highly respected American agronomist who is as shrewd and successful as the manorial barons we read about in our history of the Middle Ages. The cast of characters, the acting, and the production were of professional caliber. Cascian "all hails" to Longwood and Therese Marie Cuny, dramatic director.

The Mothers' Club

The Mothers' Club is composed of mothers of St. Rita students, both past and present. This beneficial organization is in its twenty-second year of existence. This year the club held two "Days of Recollection". Father Doyle was the retreat-master for the first. The second was given by Father Sullivan.

This year a card party and fashion show were presented for the purpose of raising money for the school. In addition to this, the mothers helped the priests to have a merrier Christmas by preparing a gala Christmas party for them.

Mrs. Milas is the energetic president of the club. The Vice-President is Mrs. Lafauce; the treasurer is Mrs. Debrecht; Mrs. Fleckenstein is the Corresponding Secretary; Mrs. Meyers is the Recording Secretary; Mrs. Burns is the Financial Secretary. The dynamic moderator is Father McCloskey.

The Fathers' Club

A new chapter in the history of St. Rita High School Father's Club was written in 1951-52. A large part of the success of the club is due to the untiring efforts of the Moderator, Father William Thomas, O.S.A. and Harry V. Williams, President for the year 1951.

One of the accomplishments was the establishment of a tuition benefit fund whereby sons of deceased members are enabled to complete their education at St. Rita High School. Some much needed equipment was provided for use by the Athletic Department. Plans were formulated and arrangements made for underprivileged children to get a Catholic education. The members assist at athletic events and other activities as ushers, cashiers and other duties as required.

The Club under the direction of Donald A. Steele, president for the year 1952, will carry on the program established by the previous officers and will co-operate with the school administration to assist in keeping St. Rita High School the outstanding education institution in the country.

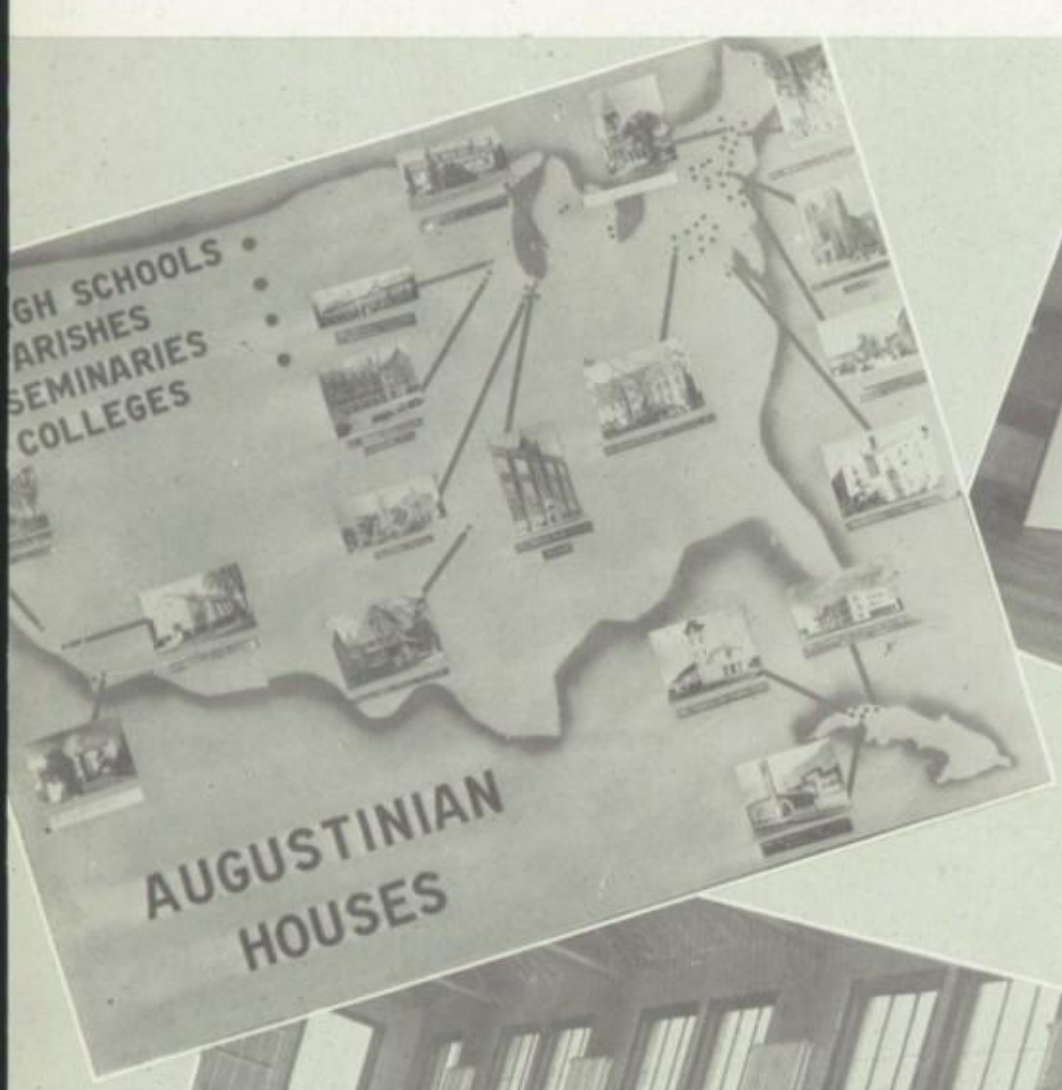
Christian Mothers Sodality

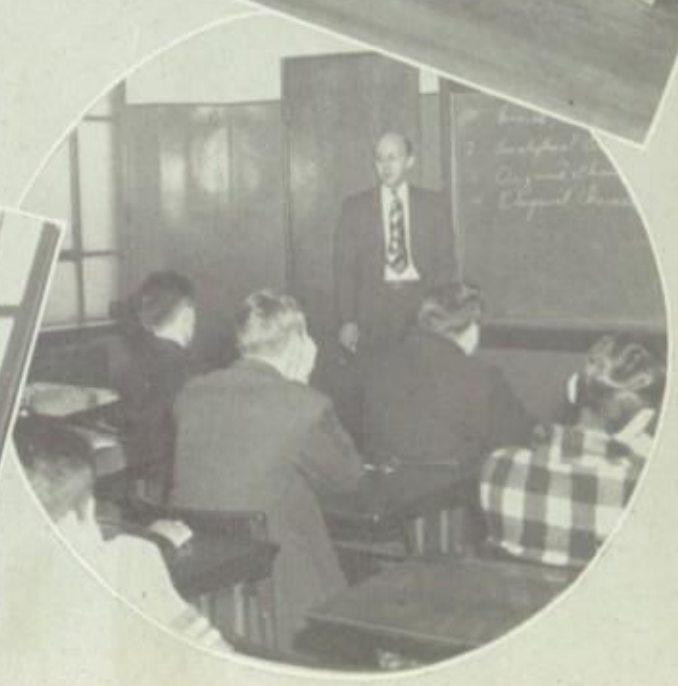
The Christian Mothers are a group of ladies whose primary purpose is to give honor and glory to God. They hold a retreat each year and have holy hours several times. They hold a monthly meeting which serves in the capacity of business meeting and social get-together. The officers are: Mrs. Zofkie, President; Mrs. McNally, Vice President; Mrs. Grace, Treasurer; Mrs. Burns, Secretary; and Father Wheeler, Moderator.

Vocations

The most important thing in the life of a high school student is his choice of vocation. At St. Rita High School, the faculty gives every possible aid to the students. Every priest is ready at all times to help any boy in making this difficult decision. In addition to this, there is a special vocations program presented each year. At this time a particular effort is made to help the boys in their choice of profession or trade. Any interest shown in a religious vocation is encouraged with frank and friendly advice.

This year, the program was under the direction of Father O'Neill and Father Gavin.





Organizations...

Driving Course

This is a unique course in the normal high school curriculum. Here at St. Rita the driving course is given under the tutelage of Mr. P. J. Gahala. Mr. Gahala is to be complimented for his excellent work in teaching the boys how to drive skilfully and safely.

Pep Club

The Pep Club is an organization composed of St. Rita students and girls from various Chicago high schools. Its purpose is to instill school spirit into the assembled student body at basketball games, football games, and rallies. Bob Black is the energetic moderator.

Radio Club

The club members are tech students. Their chief aim is to develop an interest in radio. Fr. Galloway, the moderator of the club, has been especially successful in his efforts to develop top-notch radio operators.

Camera Club

One of the oldest organizations at St. Rita, the Camera Club, stimulates interest in photography not as a hobby but as an art. During the latter part of the year, Father Wheeler, the moderator, with the assistance of Joseph Wisniewski, the president, staged a photo contest which was open to all students. During the contest, a Kodak photo exhibit was on display in the Chemistry Laboratory.

Three Cheers

Something new has been added to the musical realm here at St. Rita High School. The new group calls itself "The Three Cheers". They are a singing trio composed of our effervescent cheer leaders: Dolores Dunn, Pat Gaynor, and Jane Quinn. The gals tell us that they got their start singing at a party and have been vocalizing and harmonizing ever since. These three cute Misses will have their first big chance to display their talents at the 1952 edition of the St. Rita High School Band Festival.

Chorus

During the year, the chorus sang for various school activities. Sixty boys, under the direction of Mr. John Stephens, '45, willingly gave their free time twice a week after school hours to attend rehearsals. A highly successful concert, which included sixty girls from the St. Casimir Academy Choral Club, was presented in May. Father John Casey was moderator. The officers were: Frank Fabian, President; Edward Norkus, Vice-President; Raymond Lech, Secretary, and Conrad Urbanowicz, Treasurer.

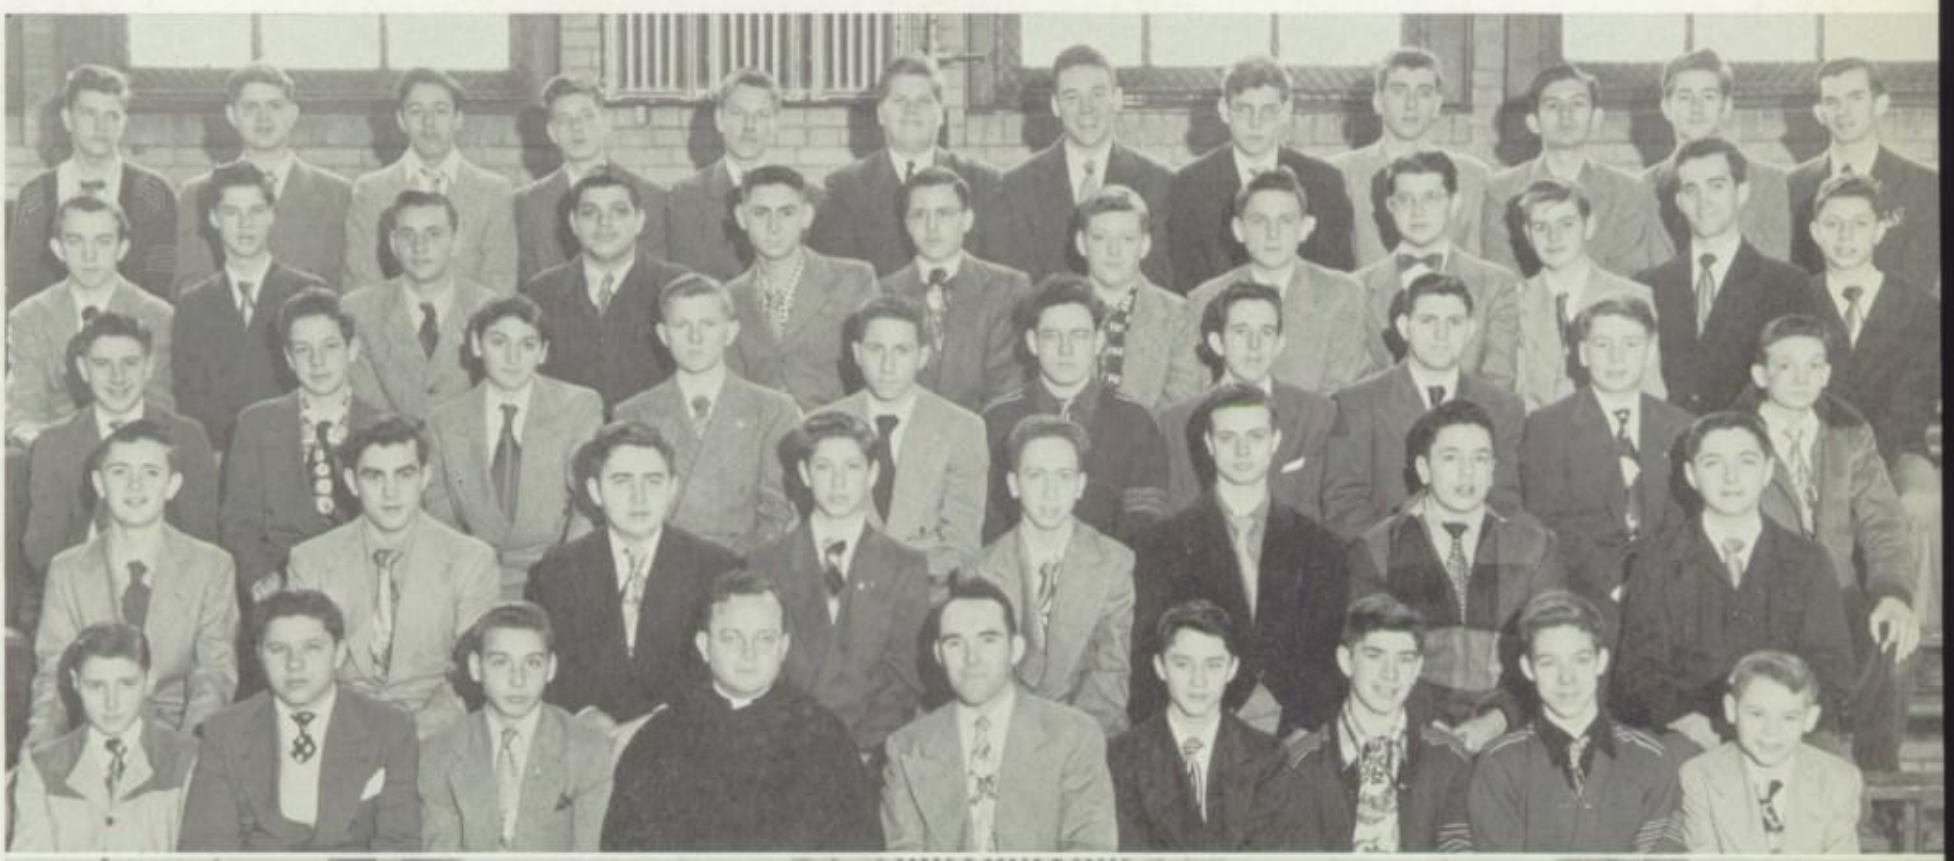
Riding Club

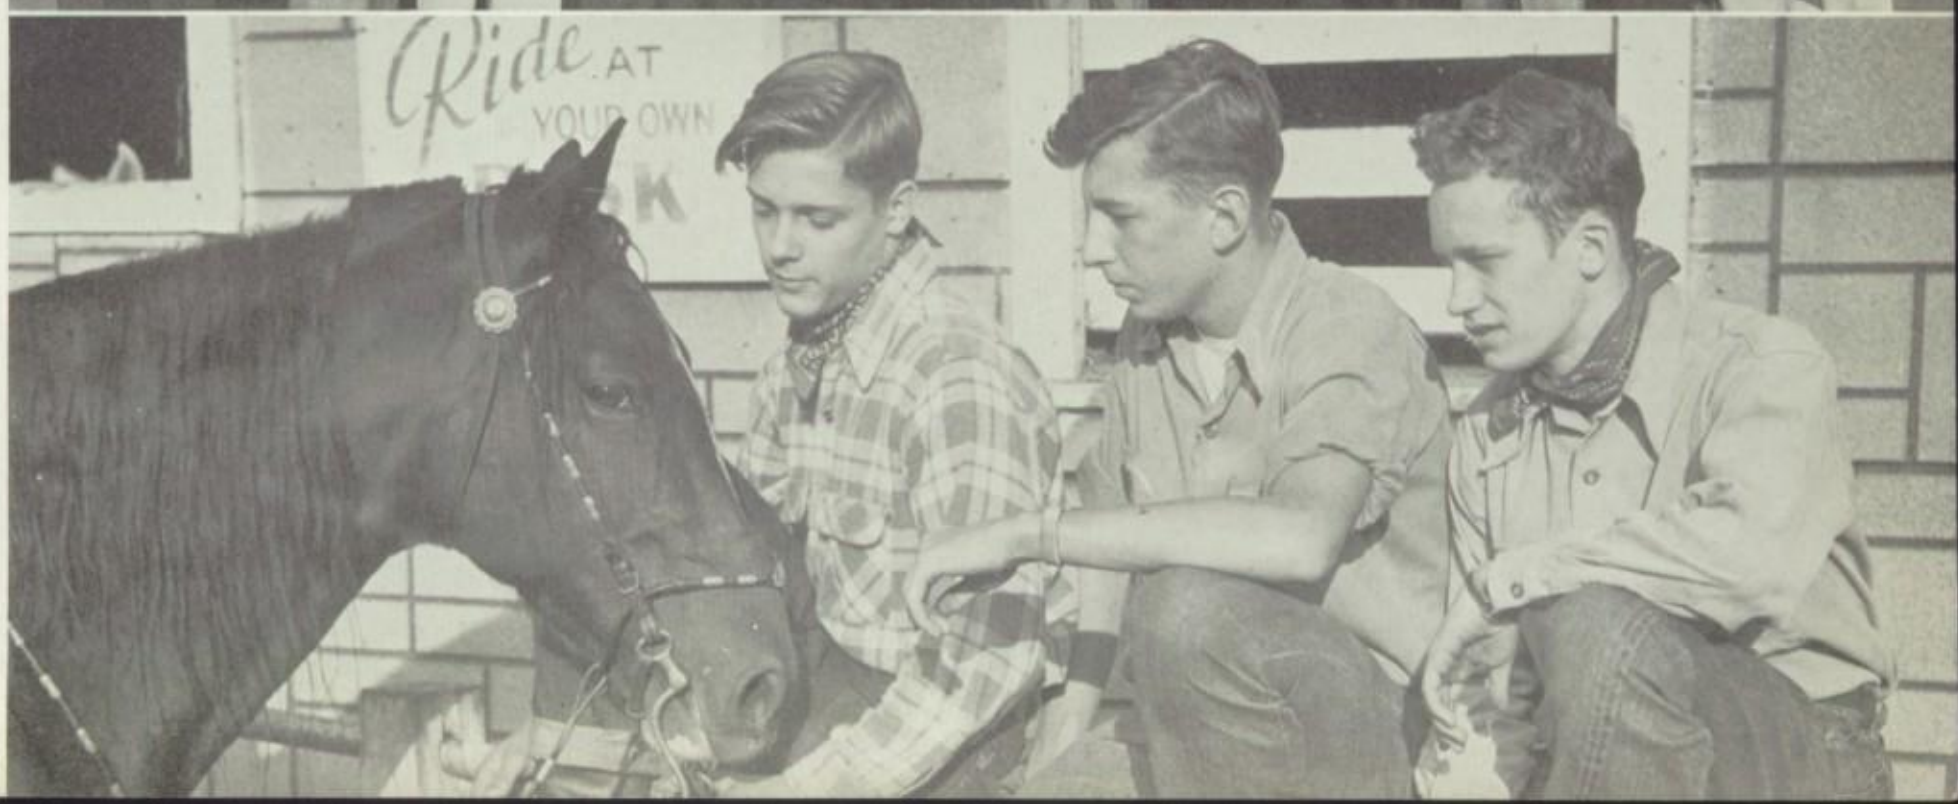
The riding club was started this year by Fr. Hartman and Fr. Fitzgerald. The reason for its founding is to give the St. Rita city boys a taste of the life of the Western cowboy. The equestrians go out to the forest preserves to ride once a week. The club is very popular. This fact is attested to by the long waiting list for membership.

Model Flying Club

The moderators of the model flying club are Mr. Callahan and Mr. Keeney. The purpose of the club is to provide an outlet for the students' interest in the building and flying of model airplanes, all types and sizes. Although the model airplane club is a relatively new organization, it has a large membership.

Organizations





Sanctuary Society

The duty of this group of boys is to assist the priests at Mass and devotions in the high school and monastery chapels. The willing and unfailing way in which they have fulfilled this duty signifies one thing—their true and unselfish love of God. Fr. Gavin is the moderator of this highly commendable organization.

Sanctuary Society Basketball

Under the direction of Fr. Gavin a basketball team was made up of the members of the Sanctuary Society. In the games which were played, the boys' love of God was characterized by their excellent sportsmanship.

Science Club

Fr. Wheeler has developed at St. Rita an interest in science which by far surpasses in quality the work that can be accomplished during the regular classroom period in the different phases of science. This club is composed of seniors who wish to further their experimental work in chemistry. The officers are: Simonaitis 4-G, Pres.; Sipowicz 4-G, Vice-Pres.; Wolk 4-E, Sec'y.

Quill and Scroll Society

The newest organization in the school—the Quill and Scroll Society was founded mainly for the purpose of offering writers of outstanding ability an outlet in their journalistic endeavors. The requirements for membership into the society are: the student must be an outstanding writer on any of the school's publications, he must be in the upper one third of his class, and he must conform to all rules and regulations of his school's chapter.

Sisters

If ever the history of St. Rita High School is written in the years to come, one very important chapter that will be recorded will be that of the arrival of a group of five Sisters from the far shores of Italy and their self-sacrificing efforts to help the Augustinians here at St. Rita.

These pioneer Sisters are: Mother Mary Julia Marconi, Superioress; Sister Emma, Sister Mary Ernesta, Sister Mary Eulalia, and Sister Mary Martina. The work that they are so capably doing is the household duties, such as kitchen and laundry tasks, in the Augustinian Monastery.

Each of the five Sisters is Italian-born. They are members of the Congregation of the Most Holy Crucified, a religious Congregation for women.

Propagation of the Faith

Every Thursday morning the familiar voice of Father Crawford is heard through the various units of the public address system uttering the words "Will the sections now please take up the Propagation of the Faith collection?"

Each student is expected to contribute one dime once a week. Owing to the large enrollment at St. Rita High School, the sum of money amassed is quite enormous; thereby putting our school high on the list of contributors. Keep up the good work.

Cisca

Cisca this year at St. Rita has, as in the past, called many students to a life of Catholic Action. This year a new group has been formed within Cisca, itself. This is the Cisca Press Association. This association held bi-weekly meetings to discuss ways and means of promoting Catholic ideas in our everyday literature. Another division of this organization that has sprung up is the "Fighting 69th." This group of Catholic students has taken positive action toward stopping the inflow of indecent and immoral movies and literature into our neighborhood stores and movie houses. Cascian Congratulations to Fr. Wheeler, Fr. Gavin and these virtuous students.

St. Rita Day

St. Rita Day (May 22, 1952)

At a very famous corner, Oakley-Sixty-third

There stands a sacred Chapel where many prayers are heard;

Where sick of mind, of heart, of strength gain added life to go

Down the lane of mortal men who measure joy with woe.

It's the Chapel of St. Rita to whom we pledge our love—

She stands upon her gloried throne like nature's flowered dove.

We celebrate her lovely feast on May the twenty-second;

Favors granted on this day her faithful sons have reckoned.

Come, gather at her shrine and light a glowing candle

To make your journey shining bright 'gainst the pagan vandal.

Take a rose from sacred bower from petal-laden shower—

For every joy she has a thorn, for every woe a flower.

Whenever cares and sorrows keen storm this mortal port,

And everywhere is gloomy news and sinister report,

Come and gain your solace sure from "Saint of Last Resort."

—Cascian Staff

On St. Rita Day we honor the patroness of our school, St. Rita. Born at Rocca Porena in 1386, St. Rita was married at twelve to an ill-tempered man to whom she was faithful for 18 years until he was murdered. Rather than have her sons avenge themselves on his murder, God took them by death at her request. She entered the Augustinian convent at Cascia, where she remained until her death.

She was canonized in 1900. St. Rita is our patroness, and on her feast, May 22, we have special devotion to Her and are showered with rainbows of Roses from Her throne in our Chapel Shrine. Since She is St. Rita of Cascia, your Cascian strongly urges your life-long dedication to Her intercession; She is your sweetheart Saint; Rita is the "Saint of the impossible" and "The Saint of the last resort!"

The dedication of this new Augustinian high school by Cardinal Stritch took place on October 12, 1951.

The name is given for Johann Gregor Mendel, 1822-1884, the great Augustinian scientist whose laws relating to heredity made biology a new and immutable science.

To the Principal, Fr. John L. Seary, O.S.A., and to all our Augustinian friends at Mendel, "The Cascian" communicates sincere wishes for years of temporal and spiritual happiness.

In addition to the faculty members Miss Kerrigan who served on the office force at St. Rita for twenty-one years has taken on the duties of registrar at Mendel.

Twenty-Five Years

This August was a great month in the life of Father Clement McHale. For it was then that he celebrated his Silver Jubilee. There was a program planned for the entire day. The events were both religious, in Thanksgiving for God's blessing of Fr. McHale's twenty-five years faithful service in the Augustinian order, and festive, to celebrate Father McHale's good fortune and the good fortune of the Augustinian order in having a man of such fine character, understanding, and intelligence as Father McHale in the office of Prior Provincial.

Halloween Baseball Dance

Halloween was celebrated in a very special manner this year at the St. Rita gym in the form of the annual baseball dance. While the witches and goblins were flying about in the cold outdoors the warm mellow music of Johnny Lewis and his orchestra filled the gym with the brightness of the holiday. To add to the enjoyment of the many who attended, the gym was decorated with skeletons, black cats, pumpkins with bulging eyes and ugly old witches; and of course the black and orange colors of the holiday.

The proceeds of the evening were used by coaches Father O'Malley and Father Hayes to outfit the four baseball teams sponsored by St. Rita and to provide them with baseballs and bats throughout the season.

The Band Dance

The sixth annual Christmas Band Ball was held in the St. Rita gym on the evening of December 22. The Band Ball, which has gained the reputation of being the outstanding social activity of the year, was more outstanding than ever this year. Many highlights were offered at the gala affair.

A tall sparkling Christmas tree, adorned with bright lights and shimmering icicles radiated the Christmas spirit from wall to wall, while mistletoe was hung throughout the auditorium to add to the effect.

Old St. Nick was there to greet the enormous throng that filled the hall. Glittering stars hanging from the ceiling added to the beauty as the mellow music of Bob Rhuele and his orchestra rippled over the dancing audience.

To top off the grand evening of entertainment the Queen of the Christmas Ball, Miss Rita Shimkus, of St. Casimir Academy was crowned by Santa Claus, "Miss Merry Christmas."

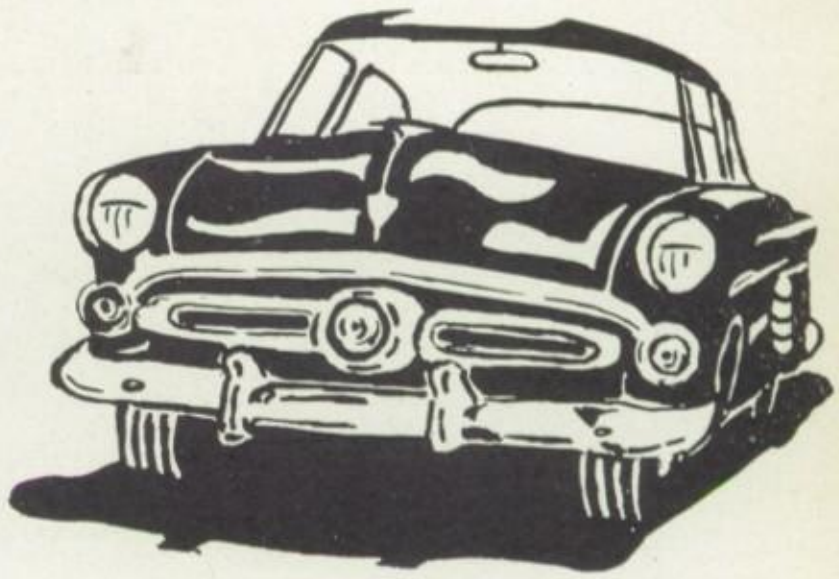
Football Banquet

The annual Football Banquet given by the Father's Club was held in November at Flynn's Hall. The entire football team was honored and letters were awarded. Special trophies were given to the following: Don St. John as most valuable back, Bob Zuklic, most valuable lineman, and John Spoo, for sportsmanship. Ziggy Czorobski was toastmaster. Some of the speakers were: Father Crawford, Coach Kopczak, Mr. Badke and Mr. Schultz. Coaches Oliver of De La Salle and O'Neill of Leo also spoke. The turkey dinner and thoroughly pleasant evening were enjoyed by all.

R

Alumni Banquet

The annual Alumni Banquet was held on November 15 at Flynn's Hall, 63rd and Kedzie. At this affair the class of 1926 was honored. The principal speaker of the evening was Judge Gordon Gorman who is Associate Judge of the Municipal Court in charge of narcotics. As in past years, a pleasant evening was enjoyed by all.



The 1952 Raffle

Another year and another raffle under the leadership of Father Fink. This year a Ford and a Dodge were raffled off, together with a set of silverware. As last year a student jackpot drawing was held. Prizes were awarded in proportion to the number of chance books sold. Other added inducements were St. Rita sweaters for the high sellers and two free chances on a Philco Television set for each book sold. In addition to this, each section that sold an average of one book per man received one free day. These incentives and the "supersalesmanship" of the St. Rita students brought about another successful annual raffle.

"NEVER SHAVE BARBER SHOP QUARTET" FORMED

Paul "Casanova" Ciochon, Frank "Who's she" Fabian, Al "Ain't she sweet" FIASCONE, and Ed "Definitely much milder" Norkus formed a quartet to travel here and abroad. They will sing as their specialty, the "Quartet" from Rigoletto. Paul will sing Bass, Frank sings Tenor, Al sings Alto, and Ed sings Soprano.

They will also specialize in Negro Spirituals, at which Ed Norkus is particularly good.

While on tour in Breat Griton, Anglo-Saxaphone, Lower Slovobia, and others, they will wear special costumes. Yellow beanies topped with green propellors are a sparkling spectacle. Pink shirts and green bow ties add more color. They will wear purple shoes and white tennis shorts to complete the outfit.

The performance will open with Paul playing "The dance of the sugar plum fairies" while the others do a short ballet to the music.

Next, Ed will tell some of his hilarious stories that will make the audience roll in the aisles (asleep?). Then Al will sing "When its Springtime and There's Moonshine on your Breath." He will sing (?) this in 83 foreign languages.

Frank will then sing the famous aria "Sing a Song of Six-pence."

In closing, the entire troupe will take part in a market as the audience favors them with choice tidbits of groceries.

EXHIBITION GAME PLAYED

George Rachford played an exhibition game of Pin the Tail on the Tiddely Wink. This is done by obtaining a 3-foot pin and trying to put it through a 1-inch disc of paper with twenty beautifully-gowned girls running at them at thirty miles an hour. They must get five such Tiddelies. The object is to spear more paper disks than the other team. The girls act as an interference to both teams.

NELSON, PARISI, WOLK AND URBANOWICZ COMPLETE TESTS

They bought a nice large molehill suitable for the experiments that they were going to perform. Bud Nelson put it into a very large evaporating dish and doused it with shrimp-boat acid. Joe Parisi added a pinch of table salt. Urbanowicz added a few more ingredients: 2 cups of ground brick, 2 spoons of ground glass, 2 dried frogs' legs, 7 calf livers, 5 squirrels' brains, and 8 bennies' heads. Now they were ready to get down to business. They boiled the sweet smelling mixtures to dryness and put the solid into water. This solution yielded a new salt. In analyzing this new salt they found that it contained a new element. The brilliant geniuses (?) named the new element Nupaw after its discovers, Nelson, Urbanowicz, Parisi, and Wolk. (The "and" is essential.) They found that the product can be utilized for clothing, hardening rubber, and in the manufacturing of explosives. When dispersed in glue, "Nupaw" can be used to strengthen Eskimo igloos and Indian tepees. A mixture of "Nupaw" and Ethanol can be used as a cure for such maladies as "jug," homework, and failures.

OBRACHTA WINS TURTLE RACE

St. Rita's own Obrochta won a turtle race with a small 3-inch black-backed turtle in a green dress. When asked how he trained the turtle, he gave this reply: "I trained Emmy Lou for three years keeping her on a strict yogurt diet. She was my pride and joy. I trained her to go fast by setting her on a frying pan and making her run around the rim." He picked her up in Alca Pulca County, Kentucky. He was going to make turtle soup but she looked up into his face and turned his stomach (her stomach was turned too), so he decided to train her for the track. After two months Emmy Lou was able to run. "Slim" Zuklic was chief yogurt mixer during Emmy Lou's training.

SMOKE GETS IN YOUR EYES

By John Nilles

KING EDWARD and PHILIP MORRIS went out on a CAMEL and, as they were crossing CHESTERFIELD, they found some OLD GOLDS. Now wasn't that a LUCKY STRIKE?

They raced back to the EMBASSEY to inform HERBERT TARRYINGTON. He MARVELed at their finding and next day, on the WINGS of a prayer, they left on the expedition with a half dozen SPUDS in a worn out sack.

They were met at the airport by their good friend Sir Walter RALEIGH who was a member of PARLIAMENT. He immediately introduced them to his daughter FATIMA. She gave them a KOOL reception because she had a date with PALL MALL who was a CAVALIER. Every one said they were a perfect "MATCH." She had a sister named CORINA who looked like a MODEL with her TWEED suit.

It was a REVELATION to find that PRINCE ALBERT, too, would accompany them on the trip.

Not long after take off their plane crashed in the LA PALINA mountains. In the dark of the night a WHITE OWL made a loud sound from an OLD BRIAR tree near by. After miles of walking they came across a PLOW BOY whose name was ROBERT BURNS. Prince Albert called to him "I say there, HARVESTER, could you help us?" He brought them to Sir VAN DYKE, DUTCHMASTER of COPENHAGEN. He had them flown to HAVANA where they met the heroine of the story MARY WANNA.

CONTRACT SIGNED

A short term contract for 99 years was signed today by Vito Dimucci and Jerry Crouse. They have agreed to play for the Chicago "Barefeet" for $10,000 a week. This information was made public by General Manager Bernard Schultz. Schultz has thrown together a team composed of such sensational greats as: "Gabby" Sarna, "Fireball" Roche, "Slugger" Dunlop, and "Big Ralph" Zabloudil. Schultz said that if they were able to acquire the pitching services of R. Zumlas they would capture the flag in the Grapenut League.

GERMAN STUDENTS TAKE FIELD TRIP TO HEIDELBERG

The St. Rita Chapter of the "National Deutscher Klassen" also known as the "Herr Weiss Clubs of America," made its annual trip to "Das Vaterland." The trip was made in a 1912 souped up 1834 H.P. Stutts-Bearcat. Ray, "Oh Adeline," Brach piloted the fourteen passenger monstrosity over the new land route to Europe discovered by ace explorer, Bob Prieve.

While in Heidelberg the boys stopped at Sopron's for "Ein paar flasche Bier." Karl Turner and Hans Sabey were disappointed because the Prince was dead. Other Krauts in the party were Karl Guminski, Hans Feigl, Adolph Witt, Fritz Belsan, Heinrcih Van Dorpe, Leopold Van Mullarkey and Heinz Hogan.
